WHO . . . WHICH . . . HOW MANY . . . the student seeks answers to the inevitable questions of Bradley University.

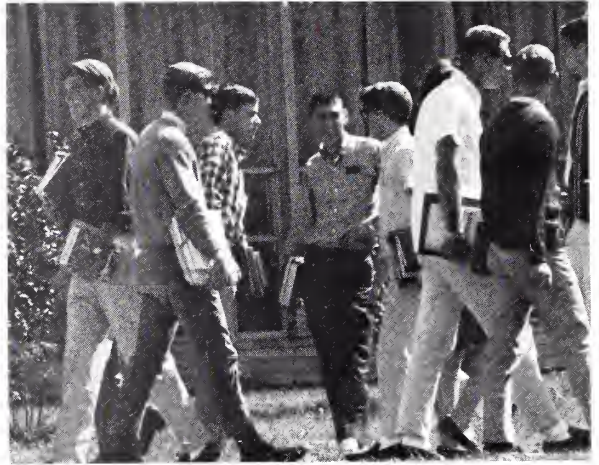

A university is a place of learning; this is the premise upon which an individual attends a university. He discovers that an evaluation of his goals is necessary if he is to determine a balance between activities and academic concentration. He questions the reasons that motivate other students to take part in campus affairs; will it look impressive on his record, will it assure him of popularity, or will he participate merely for that sense of accomplishment found in a job well done?

He accepts the value judgements of others, activities are important. He forms a satisfactory answer and plunges ahead—into the social world.

So every freshman bought a beanie; they were told it was a tradition. They were told of Ratcourt, the place at which B-Club members tried truant freshmen who had been caught "beanie bare"—and painted these freshmen green it was rumored. The freshmen wore their beanies—for at least a week—until they discovered that it didn't make much difference whether they had a beanie on or not. No one noticed. Then they discovered that tradition was just a word—like beanie.

The fall of 1964 witnessed one of the most controversial election campaigns in United States history. The battle between conservatism and liberalism was carried to the students' doorstep, when the university fieldhouse was crammed to capacity as Senator Barry Goldwater expounded on the virtues of conservatism. Police said that it was the largest crowd on record that any presidential candidate had drawn in Illinois.

No sooner had the heat and fervor of the G.O.P. candidate's words died, than Peoria was again the battle scene, as Lyndon B. Johnson arrived. The crowd he drew in Peoria greatly outnumbered that of his opponent. Adding to the election spirit, a debate, concerning the presidential hopefuls, was staged between Dr. Phillip M. Crane and Mr. Richard H. Oehling. Under these emotional circumstances, older Bradley students cast their absentee ballots. Many others participated in our first mock election. During this excitement, students participated in campus elections. Two major campus parties, the United Students and the Campus Liberals, actively supported their respective candidates. This year's election was the first to be conducted under the new Senate rules, allowing open campaigning three days before elections. Due to this open campaigning a dark horse candidate won the post of freshman class treasurer. Finally, the dominant United Students Party Scored a victory, capturing each of the seven positions.

Meanwhile, the upperclassmen replaced their academic casualties, as the United Students Party triumphed, capturing two of the three available positions. The fall campaigns of 1964 will be recorded in the Bradley annals as one of the most spirited ever waged on campus. It was a campaign of "firsts:" the free and open campaign rule, the last minute write-in victory, the mock election, and the I.B.M. tabulation of votes. Obviously, 1964 was quite an election year, nationally, as well as locally.

The 68th annual observance of Founder's Day was celebrated by both students and faculty the Friday morning preceding the Homecoming weekend. Secretary of the Treasury of the United States, C. Douglas Dillon, was the guest of honor and the key-note speaker for the occasion. He told his audience that rather than trying to recapture and relive the past, Americans should be more concerned and willing to face the realities of the present. There are those who pessimistically fear our present day society and long for the contentment of the "good old days." Rather, they should be able to accept certain changes in general concepts as progress toward a better society, not as elements of destruction. "We should aim for a close-working partnership between the private sector of our society and government at all levels." Dillon cited education as one such area in which public and private institutions work together, pointing to the 88th Congress as "The Congress of Educational Opportunity." After delivering his address in the fieldhouse, Mr. Dillon and the other attending dignitaries proceeded to the front steps of Bradley Hall for the rededication of this grand old building. Ironically, at Bradley's first Founder's Day sixty-eight years ago, when the original structure was dedicated, Lyman J. Gage, who was Secretary of the Treasury at the time, delivered the keynote address. Therefore, it seemed only fitting that this year's Founder's Day and the rededication of the oldest campus building performed by the present Secretary of the Treasury.

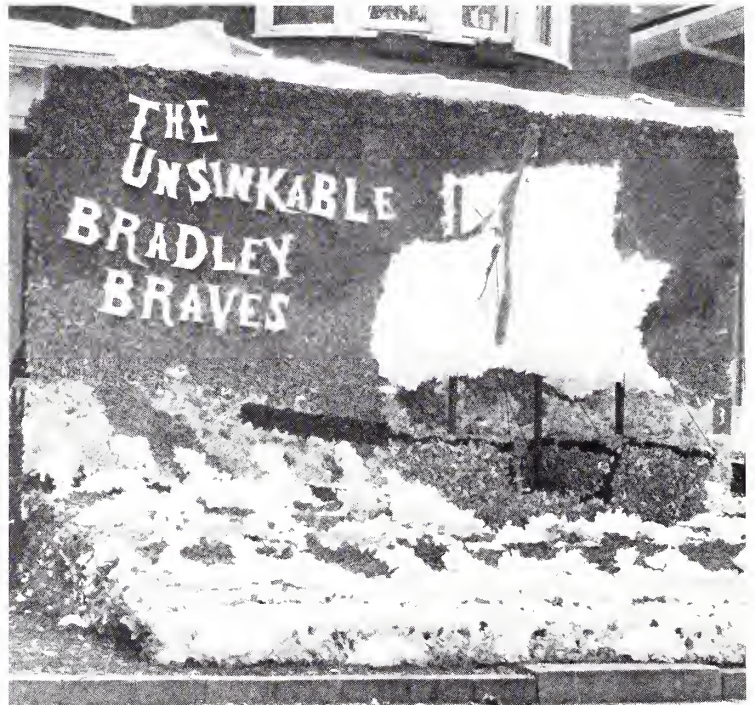

"The Greatest Weekend on Earth" began Thursday evening, October 8, with the Stunt Show, "Bradley Broadway." Greek organizations presented interpretations of Broadway hits. First place trophies were awarded to Pi Beta Phi, Lambda Chi Alpha, Pi Kappa Alpha, and Zeta Beta Tau for "Ship Out Omaha," a show based upon "South Pacific." Subsequently the 1964 Homecoming Queen and Court were introduced. Michele Proctor, of Gamma Phi Beta, was given the highest title, while Nancy Kelley of Chi Omega and Gayle Nicholas of Pi Beta Phi were chosen attendants. Friday's activities began with the all-school Founder's Day Convocation, followed by the re-dedication of Bradley Hall. That afternoon the traditional house decs, further carried out the Broadway theme by depicting scenes from musicals. Winners in the sorority and fraternity divisions were Sigma Kappa, Chi Omega, Phi Kappa Tau, and Sigma Nu. In the independent student division, trophies were presented to Heitz Hall, and the Vets Club. The spotlight was focused that evening on Louis "Satchmo" Armstrong. His program included such well-known hits as "Mack, the Knife" and "Hello Dolly." Saturday afternoon was highlighted by a hard-fought game between our Braves and the Omaha Indians. The last formal function of Homecoming weekend was the Dance, "Broadway in Blue." This event held in the Grand Ballroom of the Hotel Pere Marquette, featured Richard Maltby's Band.

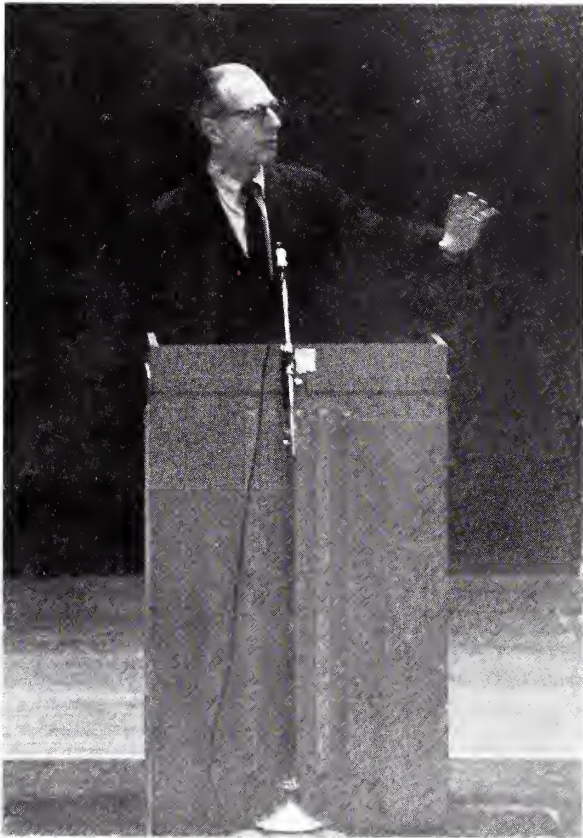

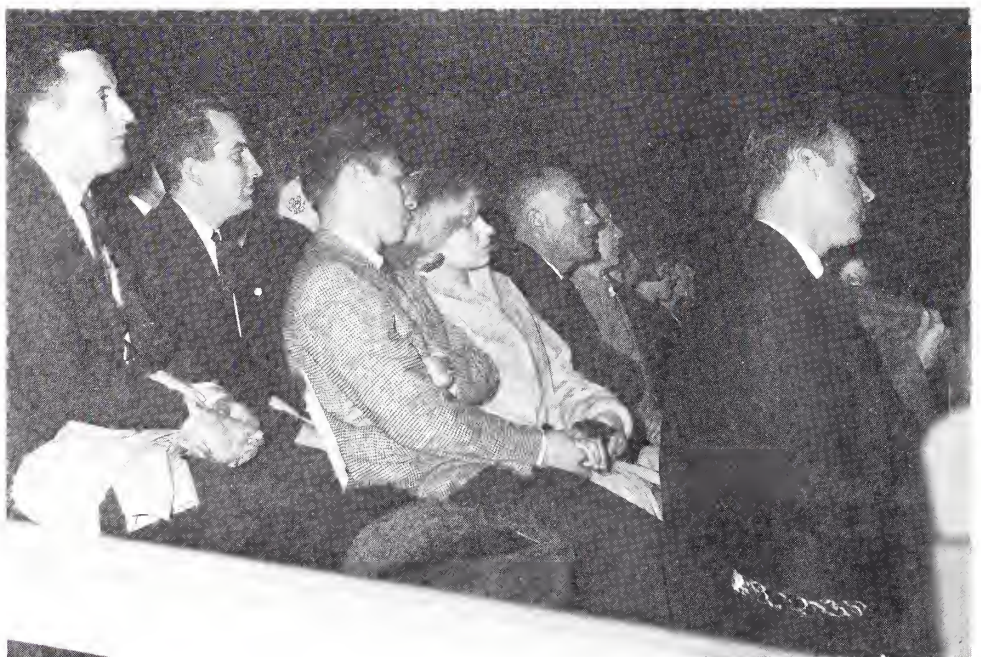

1964-65 BRADLEY DADS' ASSOCIATION OFFICERS. *First Row:* Mr. W. C. Swanson, Arlington Hgts., President; Mr. Ben C. Farnsworth, Lockport, President; Dr. T. W. Van Arsdale, Jr., University President; Mr. Harry J. McClarence, Pekin, First Vice President. *Second Row:* Dean Leslie H. Tucker, Peoria, Treasurer; Dr. A. G. Haussler, Peoria, Executive Secretary; Mr. Charles E. Moore, Washington, Second Vice President.

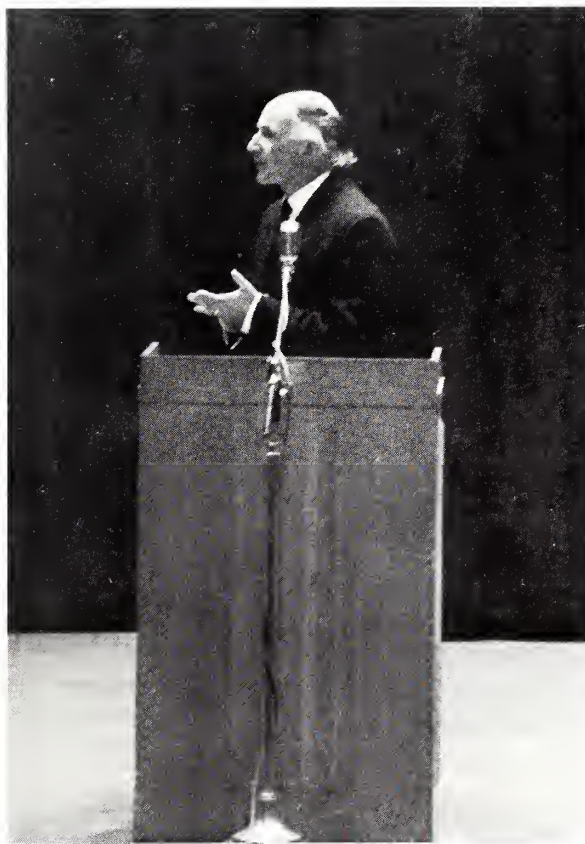

Bradley University celebrated its 35th annual DAD'S DAY November 14, 1964. The gala activities began at 9:30 Saturday morning with registration, guided campus tours, and a special coffee hour for faculty and parents. Also, during the morning hours open houses were held by dormitories, sororities, and fraternities. A luncheon taking place at Robertson Memorial Fieldhouse added to the day's sportive events. At this special affair plaques were awarded to the Honorary Directors by President Talman W. Van Arsdale. Mr. Ben C. Farnsworth of Lockport was named president of the Dads' Association for 1964-65. Here too, the esteemed title of Chief of Dads' Day was bestowed upon Mr. Fulton A. Dixon of Arlington Heights, Illinois. Mr. Dixon is the father of John Dixon, a freshman. Next on the day's agenda was an exciting football game. At half-time Mr. Dixon was presented with the traditional Indian headdress and a trophy by President Van Arsdale. For many fathers, as well as mothers, Dads' Day was an excellent opportunity for becoming familiar with the academic and social environment in which their son or daughter had become a part.

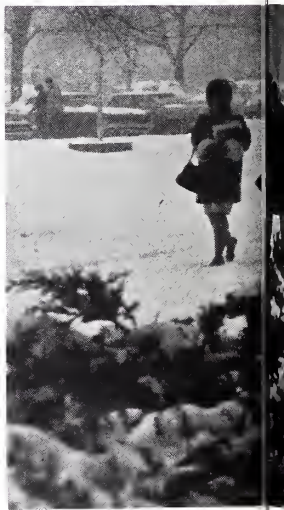

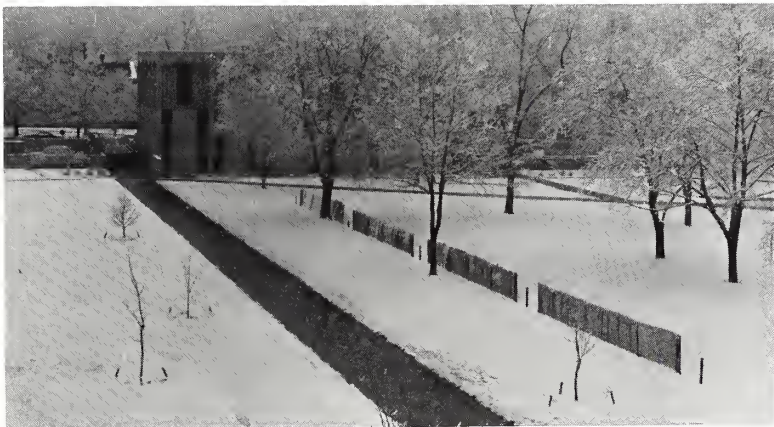

A series of Lecture Arts was offered the Bradley student body during the fall and spring semesters of this school year. The speakers, coming from different parts of the country, represented various phases and aspects of our modern life. Their talks enabled students to gain valuable information and philosophies, which cannot be found in books. Among the outstanding lecturers were Sir Bernard Lovell, (lower right,) whose talk was entitled "The Exploration of Outer Space"; Dr. Richard Armour, (lower left,) whose topic was "A Satirist Looks at the World"; Richard Hottelet, (upper left,) who spoke on spotlights of news stories which he had covered; Dr. Dexter Perkins, (upper right,) who discussed the configuration in Cuba.

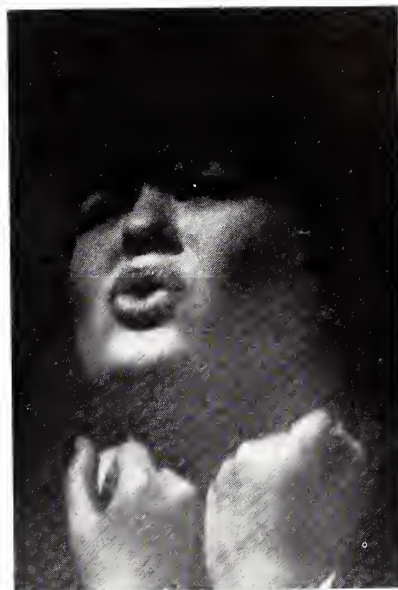

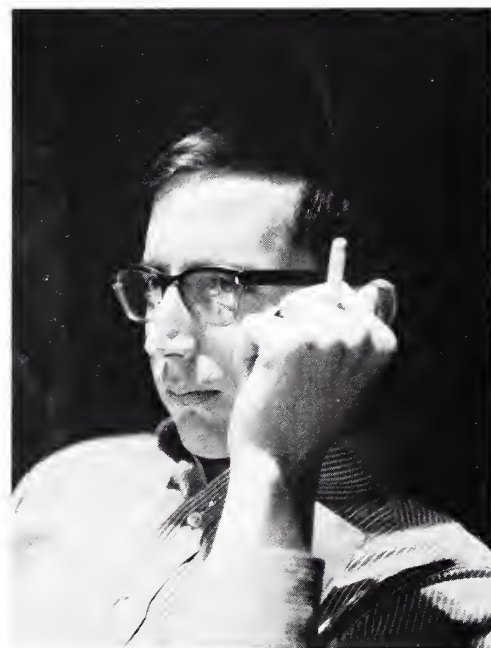

THE BRADLEY UNIVERSITY THEATRE has a manifold purpose. Perhaps its major goal is that of education—the education of the actors and directors, as well as that of the audience. The latter is given the opportunity of evaluating and enjoying the works of such writers as Jean Anouilh and William Saroyan, whose plays, “Antigone” and “The Time of Your Life,” were performed this year. Education, however, is not the only purpose for the university theater’s existence. Artistic accomplishment is an end in itself—for both the amateur and the professional. Coming into contact with a variety of roles matures the actors, directors, and audience alike. These main goals of education, creativity, and maturity are necessary ingredients of a successful theatre.

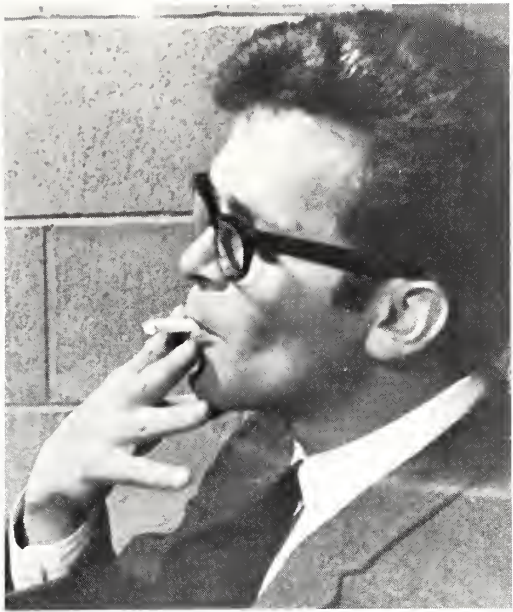

Another year slips quickly by, leaving, as it goes, only faint notes of music unrecorded. This harmony played daily in the STUDENT CENTER is a blend produced by souls seeking distraction—their instruments are feet, mouths, cups, saucers, balls, pins, cues, paper. An unknown conductor picks up his wand and the days begin with the scrape of doors and shuffle of feet. Low hums of voices combine with giggles and guffaws to produce the carol of the days. Upstairs gavels bang periodically in meeting rooms, while, across the hall in publication offices steady twangs of typewriter keys may be heard. Moreover, in still other compartments, recorded music reigns—broken only by an announcer's voice repeating, "This is WRBU." The most well-known chorus, however, is chanted downstairs. There is a heavy thud—then rolling thunder—then a crash of pins. Here too may be heard the clatter of a cue ball connecting with multi-colored spheres while next door cups rattle against saucers and coffee is sipped slowly. Voices clamor, cards swish against tables, and cigarettes sizzle quietly in ash trays. These familiar scrapes, shuffles, hums, bangs, twangs and thuds unite diurnally to form the Student Center Symphony.

Top-flight ENTERTAINMENT was provided on campus during the spring and fall semesters. The first concert was given by the bearded trumpet king, Al Hirt. He played his latest hits, "Java" and "Cotton Candy" to an enthusiastic crowd.

Perhaps the most remembered concert of the year was the fieldhouse performance of the Kingston Trio. Their outstanding folk-singing selections included hits like "Tom Dooley," "Where Have All the Flowers Gone," and "Maria."

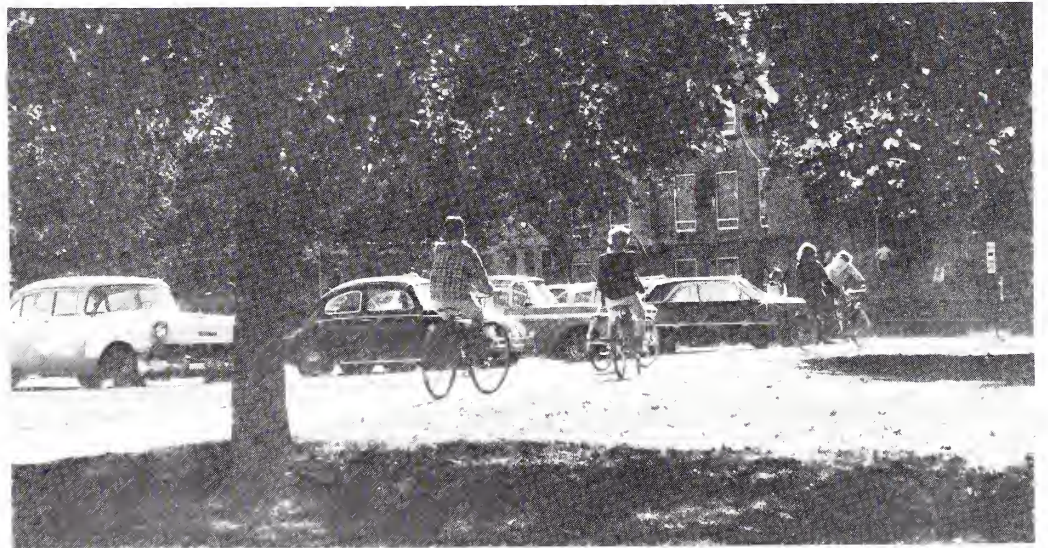

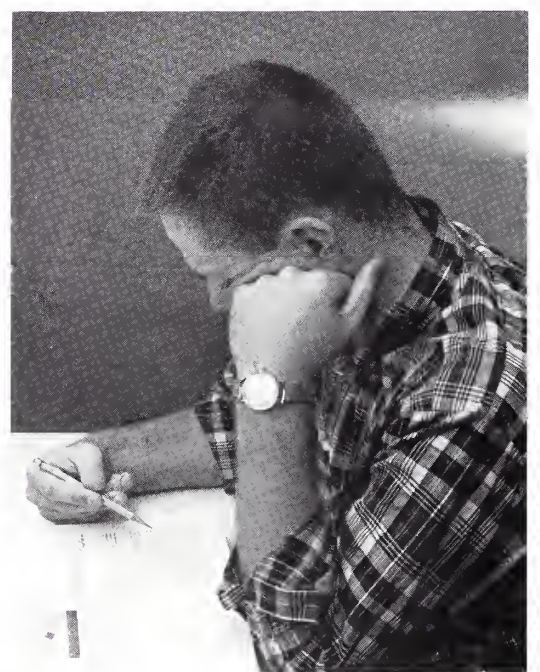

Streamers of brilliant colors are draped across walls as university organizations transform the fieldhouse into a midway atmosphere for the annual **CAMPUS CARNIVAL**, Bradley's official close of the university social activities. These enterprising groups sponsor money-making booths and donate the profits to various local, national, and international charities. Last minute touches find members blowing balloons, hammering nails, stretching paper, filling tubs with water, painting signs, and catching frogs—all in hopes of making the largest profit. Competition is high as the groups compete for a coveted trophy. One of the outstanding events of the carnival is the auctioning of parties which organizations will give to each other later in the year. Finally, the weekend activity is brought to a climactic ending with the announcement of Lady Fair and Prince Charming at the dance in the S.C. Ballroom.

WRBU Managers—Bill McKinney—Station manager—2nd. semester, Julie Warren—commercial manager, Gary Scranton—technical manager, Mary Margaret Culshaw—program manager, David Jacobs—Station manager—1st. semester.

WRBU RADIO STATION—The staff of WRBU, Bradley's campus radio station, endeavors to bring to the campus the type of programming of interest to the students. This varies from jazz, rock and roll, and folksinging to taped interviews, with its most popular program being the rebroadcast of the home basketball games. WRBU currently operates on a carrier-current frequency of 610 kilocycles. In the fall of 1965 WRBU plans to carry commercially sponsored programs. The announcers for the station are students interested in radio programming either on a professional basis or in the form of a hobby. This year's WRBU managers include David Jacobs, Station Manager first semester, Bill McKinney, Station Manager second semester, Mary Margaret Culshaw, Program Manager, Julie Warren, Commercial Manager, Gary Scranton, Technical Manager, Jerry Kupcinet, Publicity Manager. Mr. Henry Vander Heyden is the faculty advisor.

WRBU Staff—*First row:* Margo Fisher, Janet Blew, Janis Michaels, Gail Taradash, Marsha Reck, Winnie Koebel, Nancy Peters, Shelia Vroman, Sandra Wenckus, Shiona Nelson—*Hawkins. Second row:* Bob Gellman, Don Baker, Dan Smith, Bob Katzen, Jerry Kupcinet, Ben Farnsworth, Mike Buddington, John Bodner, Jeff Singer, Dan Wachs, Wayne Kaplan, Bob Sime, John Di Cannio, George Rivowitz, Robin Pendergrast.

THE ANAGA is the story of the student year. Within its pages are captured moments of pride, of victory, of peace, of defeat. Gathering these flashes into pages of suspended life, is the task of our year-book staff. The semester begins and three months of summer's cobwebs are cleared from the files. Cameras begin to click—pencils begin to move—typewriters begin to hum—and slowly the Anaga begins to take form. The staff office is seldom uninhabited—especially round deadline time, when a mild form of chaos is likely to develop. The months pass quickly and, after a great deal of preparation and hard work, the Anaga is complete.

The Pacemaker Bradley SCOUT maintained its reputation for the reporting of news events and student activities while its editors played musical chairs. Gene Glendenning led off the year by introducing national news and Friday issues for the first time. At the end of first semester, Gene resigned from his position. The next occupant of the editor's chair was Larry Reh. He introduced a new mast-head and a liberal viewpoint to the paper. The music went round and round and after a few sour notes, Stu Harrison found himself in the last chair. Stu took out the national news and liberal viewpoint and introduced a conservative image and new layout design. Throughout the duration of the changing figureheads, the staff, with a few minor and major changes, remained relatively stable. However, every Friday the SCOUT passed to the students' hands for praise and criticism.

THE STUDENT SENATE, under the leadership of Pete Szydowski, actively worked with every phase of campus life. During the past year, this governing body sponsored the performances of both Al Hirt and the Kingston Trio, and donated the resulting profit to the Olive B. White Scholarship Fund. The body joined the American Student Government, a newly formed association of seventy-six schools. The Senate also worked with the university to establish the Missouri Valley Student Compact, an organization, on a non-athletic basis, to draw conference schools closer in areas of debate, the arts, journalism, and student government. In addition, the Senate passed a bill to establish a program on WRBU. Besides, it investigated a campus telephone system, which might become a reality.

President Pete Szydowski talks with advisors Dean Brown and Dr. Albanito. Absent from the picture is Dr. Crane.

STUDENT BODY OFFICERS—Tom Taradash-Treas., Dick Nitto-V.P., Pete Szydowski—Pres., Linda Benson-Sec.

STUDENT BOARD OF ACTIVITIES

The junior and senior boards and a large number of committees make up the largest functioning organization on campus known as the S.B.A. Heading this organization are Al Weitzel as president, Lacy Pledger as vice president, and Mary Wyn Koski, as secretary. This year they sponsored many types of recreational activities such as; bridge tournaments, jam sessions, talent shows, and a photography contest. Among the boards larger projects were a Halloween party for the children of the faculty and a Christmas party for the children of the Peoria orphanages.

ASSOCIATION OF WOMEN STUDENTS—Row one: Carolyn Harshbarger, Jane Dungey, Joan Gore, Diane Malela, Marian Makstell, Gay Marcus, Joyce Sather. Row two: Judy Vaira, Bobbi Winkel, Fran Kravanya, Kathy Siedel, Ann Lindon, Marcia Bouton, Jackie Johnson.

ASSOCIATION OF WOMAN STUDENTS or commonly known as A.W.S. is a disciplinary board for women who live in university housing. The board is comprised of representatives from the women's dormitories and sorority houses. For the second year, A.W.S. will sponsor the "Little-Sister Program," in which upperclass women correspond with incoming freshman women during the summer months.

THE CAMPUS COMMUNITY COMMISSION gives due consideration to the problems affecting the social, intellectual and health matters of the student body. Its main duty is to approve solutions which are suggested by campus organizations. This committee is made up of top rate student and faculty members and serves as an important stepping stone between students and faculty.

CCC—Row one: Marian Makstell, Mary Lou Fetterolf, Dean Mary M. Brown, Mrs. Doris Hoyer. Row two: Mr. E. J. Ritter, Mr. A. Evans, Pete Szydlowski, Dean E. M. King, Dick Nitto, Ed Stack, Bob Alberding.

HOMECOMING STEERING COMMITTEE—Row one: John Luhtala, Barb Mahler, Patty Flanagan—Sec., Stu Harrison—Gen. Chairman, Steve Schilson—Bs. Mgr., Chris Pritz, Barb Swanson. Row two: Charlie Schmidt, Dick Nitto, Mindi Betty, Jim Dynan—Advisor, Lacy Pledger, Dale Fredericks, Tom Taradash.

HOMECOMING STEERING COMMITTEE—1964 created "Bradley Broadway." Early in the spring the initial plans for the biggest social weekend of the school year were laid. Seven months later the Stunt Shows, Special Event, House Decs, Football Game, and Homecoming Dance materialized. This group, headed by a general chairman, is composed of a business manager, a secretary, nine committee heads and their members and nine faculty advisors, each working to make Homecoming Weekend remembered all year.

SUPREME COURT—Row one: Mary Lou Fetterolf—Chief Justice, Joanne Kauffman, Ginny Guimont, Joanne Korb, Lucille Schubach. Row two: Steve Diamond, Joseph Udelson, Randy Jacobs.

THE SUPREME COURT is the main judiciary body on campus, composed of seven justices appointed by the senate from a list of faculty-recommended students. Cases brought before the court arise from infractions of university social regulations, election violations, questions of constitutionality, and violations of university motor vehicle regulations.

THE BRADLEY CHORALE, under the direction of Dr. John E. Davis, is an assemblage of fifty choice voices which have sung this year for not only campus concerts, but also for many local conventions. Among the highlights of this year were their performances at the state conventions of the Illinois Music Educators Association and their annual appearance on WTVH television station. The Chorale well represented Bradley on its one week spring tour of Illinois, Iowa, Wisconsin, and Minnesota.

THE BRADLEY BAND, under the direction of Mr. Kent Campbell, consists of four interchangeable units which include a concert band, a football band, a basketball, and new this year, a swing "Jazz" band. Besides performing at sports activities on campus, the Bradley Band also plays for special occasions such as Mother's Day in the Spring and Founder's Day in the fall. Surprisingly enough only twenty per cent of the band members are music majors with the remaining members representing every school and college on campus. The majorettes, an important part of the band, numbered six this year.

ARNOLD AIR SOCIETY—*Front row:* Fred Doubet, Major James Barnett U.S.A.F., Chuck Hackard. *Second row:* Bob Adams, John Cunningham, Dean Koger, Mike Jump, Neal Tiebout. *Third row:* Steve Mandel, Art Kawatachi, Art Scheitauer, John Culver, Ron McBride, Ed Stack, Gary MacInay. *Fourth row:* Jim Thompson, Jim Talbott, Glenn Vodrazka, Tom Kilton, Tom Herr, Jim Eggert, Doug Moss, Oscar Pence, Gary Belmont. *Fifth row:* Ron Kaehlert, Ron Wodarczyk, John Durham, Ed Kowal, Tony Check, John Mauss, Randy Miller, Hal Heitler, Jim Pittaway, Bill Butterfield, Gary Heller.

The ARNOLD AIR SOCIETY, a professional, honorary fraternity of advanced cadets, is an important part of the Air Force R.O.T.C. Made up of sophomores, juniors, and seniors with a 4.5 grade point average, the group has the duties of creating close relations within the A.F.R.O.T.C. and of aiding in the development of Air Force officers. Besides attending weekly meetings, exchanges, and banquets, the group has the opportunity of hearing guest speakers.

ANGEL FLIGHT is an honorary auxiliary of the Arnold Air Society. These women serve as assistants for school functions and also serve the needy. Bradley girls are chosen for this prominent organization on the basis of their grade point, activity memberships, and leadership qualities.

ANGEL FLIGHT—*Front row:* Pat O'Mar, Janie Lynch, Sue Woll. *Second row:* Nancy Hayden, Carolyn Harshbarger, Becky Mettam, Sue Messmore. *Third row:* Donna Nohr, Arlene Wetzel, Kathy McMahon, Joann Wike, Jody Martin, Ginny Guimont. *Fourth row:* Carol Bertalmio, Donna Henson, Karen Reinhold, Marcia Davis, Peggy Stone, Marilyn Wegl, Joanie Knosp, Peni Seelye, Barb Larson. *Fifth row:* Marian Makstell, Diane Malela, Marilyn Barr, Betsy Gibbs, Kay Woolsey, Chris Pritz, Jeri Price, Winnie Koebel, Joan Gore.

*THE GREEK ORGANIZATION provides an interlude
for the student from the impersonal atmosphere of the University.*

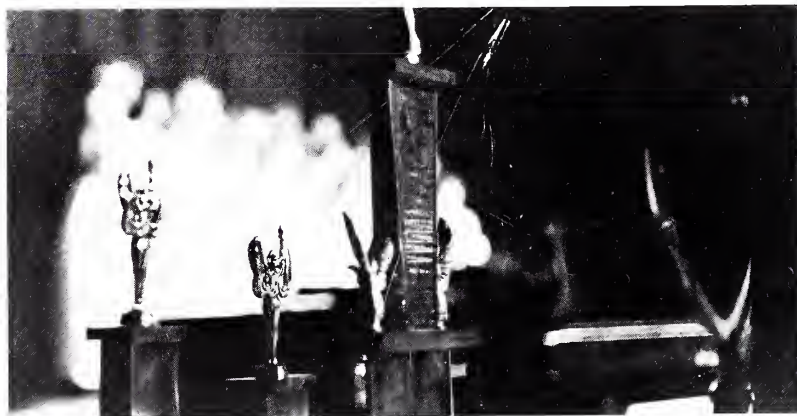

*One's affiliation with a sorority or fraternity
develops a deep sense of identity
to a group with the same interests and aspirations.*

*In the Greek world one learns to live with others
and to work together toward common goals.
A duty to one's house and loyalty to one's brothers is the basis
upon which maturity can grow.*

*A Pan-Hel trophy, a first in House Dec, a sister
as Homecoming Queen or a brother President of Student Senate
elicits pride, not only in the house,
but in its membership in the Greek system.*

*Outstanding accomplishments in all phases of campus life—
social, athletic, scholastic—
combine with the simple idea of belonging
to supply the emphasis when a brother or sister says,*

"I'm Greek!"

PAN-HELLENIC AND INTERFRATERNITY COUNCILS strive to promote the best interests of Bradley University and to maintain cooperation and a friendly spirit between the fraternities and sororities on campus. Through their regular meetings the councils handle the necessary business to keep Greek Life running smoothly. Each year the two governing bodies direct participation in the annual Greek Week activities, Pan-Fra Sing, Campus Carnival, Pan-Hel-IFC Dance, rush, and other social functions.

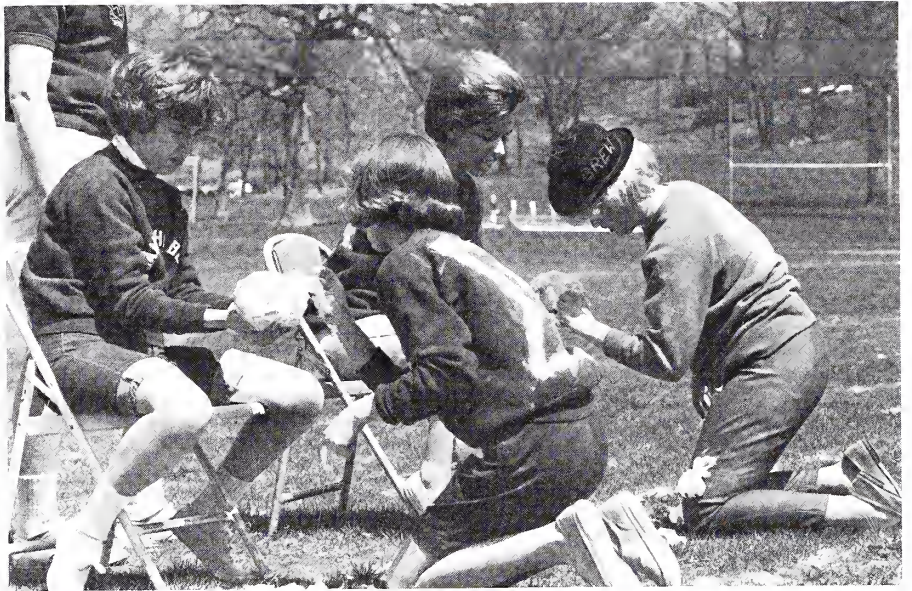

The Greek system, geared to formulate well-rounded individuals, stresses scholarship for which the Greeks have the highest average. The councils also participate in charity drives through the year and sponsor numerous Christmas programs for underprivileged children. More than just leaders, IFC and Pan-Hel perpetuate the Greek ideal on Bradley campus.

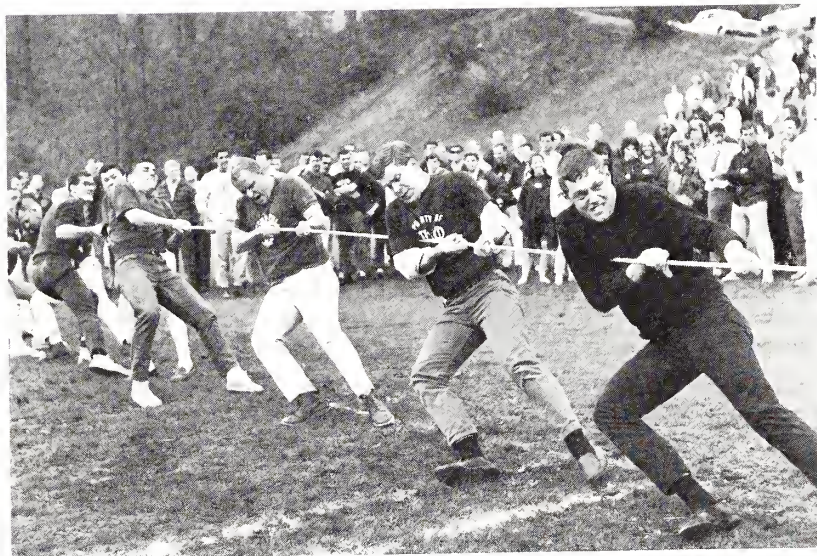

Row one: Chris Caile, Bruce Thomas, Ken Gardstrom, Bob Alberding, Leroy Rakowski, Jim Lightfoot. *Row two:* Lou Michelson, Pete Murany, Ed Stack, Ivan Nesser, Don Muller, Reginald V. McDuffie, Bob Bloom.

ALPHA EPSILON PI men are fun-lovers, scholars, athletes and leaders in charity participation. Once again proud to boast a high academic achievement for actives and pledges, Alpha Epsilon Pi has been number one or two in scholarship on Fraternity Row for the last six semesters. With this ideal setting the stage for Alpha Epsilon Pi activity, brothers have earned a second place trophy for Stunt Show, first in tennis and second in bowling. The chapter prides itself in group effort, though individuals include the central rush chairman, a supreme court justice, president and vice president of Hillel. Opening its doors to the other fraternities and to the sororities. Alpha Epsilon Pi holds an annual open house and jam session, in addition to having a well-rounded social schedule of exchanges and formals. Success has not left Alpha Epsilon Pi uncharitable and the brothers' charity drive, community chest and church group participation has given them a respected name among social organizations. A new housemother has given Alpha Epsilon Pi added spirit and enthusiasm, and the chapter's achievement will excel in years to come, guided by their successful past.

ALPHA PHI ALPHA, founded at Cornell University on December 4, 1906, was the first Greek letter fraternity established for and by the Negro; it became the first to open its doors fully to all men. Alpha Phi Alpha is an international fraternity as witnessed by its having chapters in England, Liberia, Germany, Bermuda, and other foreign locales. Alpha Phi Alpha is not primarily concerned with giving parties or "social functions." It has the much broader goal of assisting its members to make significant contributions to American life. It pursues this aim through a balanced program of academic, civic, and social activities, taking "manly deeds, scholarship, and love for all mankind." To supplement their motto "First of all, Servants of all, we shall transcend all," emphasis is always placed upon achievement, co-operation and excellence.

BETA TAU, one of Bradley's fastest growing fraternities, lays claim to a year of progress on campus in 1964-1965. Among Beta Tau's forty-five men are members of Omicron Delta Kappa, Phi Kappa Phi, Phi Eta Sigma, and Who's Who. Their sphere of activities extends to nearly every phase of campus life. A Beta Tau is Junior class vice-president, and two hold seats in Student Senate. Their men are also prominent on the staff of WRBU and the Scout, and are active in Pi Kappa Delta, Sigma Delta Chi, and the debate team. Beta Taus are represented on the varsity swimming and tennis teams, and the Bradley Indian is a BT. In their first participation in Homecoming Stunt Show last fall, Beta Tau won a first place trophy. Rounding out their activities is a social calendar that features their Founders Day, winter formal, "Sleighride to the Stars," the annual ZBTahiti party, and flik nights with popular Hollywood. In the very near future the men hope to be installed into their national when they will legally be known as ZBTs.

Row one; Carol Kirsch, Joan Knosp, Marilyn Hubbell, Ruth Ann Kengott, Nancy Seymour, Carolyn Harshbarger, Pat Morris, DeDe Boothe, Sheila Vroman, Jane Griffith. *Row two;* Joan Major, Anne Bush, Carol Wetterer, Carol Tucker, Karen Reinhold, JoAnn Korb, Janis Hamilton, Mary Ann Lutz, Judy Robinson. *Row three;* Sandy Wenckus, Sandy Pollard, Mary Ellen Thurwanger, Candy Jacobson, Linda Ewing, Cindy Colwell, Ann Mitchell, Sena Cirese, Cindy Glenn, Linda Schall, Sandee Bradley. *Row four;* Janet Prosser, Lynda Woodcock, Carol Wicks, Lynette Martin, Pam Young, Anita Boyer, Jane Dungey, Nan Lock, Pat Kramer. *Row five;* Judy Pottorff, Sue Arnold, Pam Kief, Bobbie Huff, Pixie Kief, Niki Lister, Donna Glow-ski, Sue Sweeney.

GAMMA PHI BETA proved again this year that it is an integral and active part of Bradley's Greek Row. Scholastics received no little attention at the Gamma Phi house as the sisters placed in honoraries such as Alpha Lambda Delta, Wakapa, Mu Epsilon Pi, Phi Kappa Phi, Delta Phi Delta, Pi Lambda Theta, Who's Who, and Angel Flight. The girls did take time out from their books though, to participate in chorale, CCC, Meri-N-Ettes, SBA, Aquadettes, Tutoring Steering Committee, Homecoming and Campus Carnival Steering Committees, WRBU, University Theater, Scout and ANAGA. Not content with following, the sisters showed leadership as Presidents of Pan-Hel and the senior class, AWS representative, Supreme Court Chief Justice, All-School and freshman senators, junior class secretary and treasurer, freshman secretary and Editor of the ANAGA.

Believing the "All-work-and-no-play" story, the Gamma Phi's displayed their social grace as Miss United Fund, Pan Hel-IFC and Frosh-Soph Queen candidates, Best Dressed Girl runner-up, Miss Peoria and All Campus Queen finalists, Miss Brave Sig, Pike Dream Girl, Sip Ep "Queen of Hearts," Theta Xi Cinderella, Pike Playgirl, AKPsi Sweetheart, and Homecoming Queen. Social awareness, intellectual capability, and campus initiative combine to make Gamma Phi Beta a classic addition to Bradley's Greek organization.

DELTA ZETA, well established on campus as a leading women's fraternity, has remained far enough apart from the current of fanatic femininity to maintain a degree of individuality and sincerity. Since its start on Bradley's campus in 1957, Delta Zeta has been able to boast of many successes. Its greatest achievement came the day their new house on Fredonia was completed; a beautiful dream come true and the result of hard work and constant hope. Delta Zeta is proud of its Campus Carnival Queen, Theta Chi Dream Girl, Outstanding Angel of Angel Flight, Slide Rule Sweetheart, DU Darling and Miss Peoria of 1964. In organizations, Delta Zetas hold offices in Wakapa, Chimes, Student National Education Association, Angel Flight and board members of Student Board of Activities, Associated Women Students, the Bradley Chorale, Community Chorus and Pan-Hellenic Council. In honoraries, DZ's are listed in Who's Who, Pi Lambda Theta, Alpha and several others. As dedicated as they are sincere, the Delta Zetas promise to give unselfish devotion to the growth of Bradley's Greek system.

DELTA UPSILON keyed the year with a new house, new men, and new ideas. The roomy new home for wayward DU's opened in September after nineteen years in tiny old 1502. Always active, the brothers filled roles in ROTC, Young Democrats, Young Republicans, band, chorale, and Scout. The house is also proud of its members in ODK and Phi Eta Sigma. Second in Pan-Fra Sing and increased athletic activities hint at things to come. The perennial Bathtub Gin (gerale) Party, the Sweetheart Ball, and a full round of social events livened up the scholastic year but did not eclipse the brothers purpose for being here—to get a well rounded, diversified and liberal education.

THETA XI, dependently outstanding in athletics, earnest in leadership, and united in brotherhood, is the hard-shell of the Greek Spirit. The Xi's have been active both on Bradley's campus and in the community. Domination campus organizations, the brothers hold offices of President and Treasurer of Student Senate, President of SBA, SAM, and American Marketing Association. The Xi's are represented in Who's Who, ODK, WRBU, and varsity athletics. They can boast of their own royalty with last spring's Greek Week God and King of the annual IFC-Pan Hel Dance. The chapter has won a fourth in house dec, a third in track, the league B IF-football championship, and a second in all-IF football. Bound by the spirit of excellence, Theta Xi has most recently reassured its position as a top contender in the Greek System.

THETA CHI, beginning its 16th year at Bradley, is proud to be among the new houses on Fraternity Row. Moving into their new colonial home two years ago, Theta Chi's have pushed upward and onward to multiply their influence in campus organizations. In their numbers are found the chairman of Inter-Fraternity Sports, a student senator, a justice on the Supreme Court, the commander of Arnold Air Society, and presidents of Phi Eta Sigma, Mu Epsilon Pi, and the recognition societies. They also serve as vice-presidents of the Honor Societies Council and the Student Board of Activities. Socially speaking, a Theta Chi was chairman of the IFC-Pan Hel Dance and the brothers garnered second place in the Homecoming Stunt Show. In IF sports, they have won second place in volleyball, first in golf, second in wrestling, and third in football. With past achievements their strongest foundation, Theta Chi joins with Bradley in hoping that their future holds as much success as their past.

LAMBDA CHI ALPHA again in '64 successfully participated in all facets of campus life. First and most outstanding was the award of the Scholarship Trophy to LCA for top averages of both pledges and actives. The brothers further exhibited their initiative by placing members in various honoraries, special interest groups and political offices. Dean's List, ODK, Phi Eta Sigma, SBA, BTE, Who's Who, Student Senate, and the Bradley Chorale are just a few. The trophy case was graced with some new additions this year; firsts in track and basketball, first place in Stunt Show, and a third in I.F. wrestling. Traditional Lambda Chi Alpha activities included the Sadie Hawkin's Day Party and the LCA Pajama Race. A "Has Been's Party", numerous exchanges, and spring and winter formals completed the social year for the brothers.

PI BETA PHI, the pioneer among national fraternities for women and the first national fraternity to be chartered on the Bradley campus, has continued to maintain a variety of Greek traditions. The Pi Phis are represented in numerous honoraries: Phi Kappa Phi, Who's Who, Wakapa, Chimes, Angel Flight, Alpha Lambda Delta, and Kappa Tau Alpha. Campus royalty has also found a home amid the Pi Phis. The past all-campus queen, Inter-Fraternity Council Queen, Drake Relays Queen, Greek Goddess and Sigma Phi Epsilon Diamond Princess are members of Illinois Theta. At homecoming, Pi Phis claimed the titles of finalist and princess and was awarded the first place stunt show trophy. They also hold offices of president of the Board of Associated Women Students, board members of the Student Board of Activities, the Meri-N-Ettes, Board of Control, Student Senate and of course theirs has been a hereditary monopoly of cheerleaders. Pi Phi's spirit has been exemplified in their annual Orphans Christmas Party, formals and exchanges. Isolated from other Greek houses, the Pi Phis have found leadership their motto, growth their goal.

PI KAPPA ALPHA, the first fraternity at Bradley to build a new house, Pi Kappa Alpha is the center of greek traffic between Bradley classrooms and Greek residences. Pikes have made significant achievements in several areas during the past year, and their originality and novelty in organizing house parties has been unequalled by any other fraternity. Their Isle of Kumoniwanalaya party perhaps put them atop all Greekdom for "at home" enjoyment. At homecoming, they shared first place for stunt show performances and in campus activities, they hold many of the most influential posts on campus; past editor of the Scout, station manager of WRBU, group commander of ROTC, senior class treasurer, IFC secretary and two Student Body Senators. They are also Active in Chorale, Young Republicans, Young Democrats, Student Board of Activities, International Club, Sigma Delta Chi and varsity athletics. Again this year, Pi Kappa Alpha distinguished itself in many ways. It was a good year for Bradley, a good year for the Pi Kappa Alphas.

SIGMA DELTA TAU filled out its calendar this year actively participating in all phases of campus life. The SDT's have members in Who's Who, Angel Flight, Campus Carnival Steering Committee, Alpha Lambda Delta, AWS, Phi Chi Theta, SBA, and cheerleaders. Holding their names high, the girls have official positions in Pan-Hellenic Council, AWS, WRA, Student Senate and senior and sophomore classes. This has been a big year socially for the SDT's. They have had formals, parties and exchanges. In the three and half years that Sigma Delta Tau has been on campus, the chapter has outgrown its present house and they are looking forward to next fall and the completion of their new house. A group of friendly, fun-loving young ladies, the SDT's are singing their praises ever louder.

SIGMA KAPPA, a house of two homes, is the largest social sorority on campus. Excitement is in the air among the sisters, for the two familiar green houses are expected to come down in May and be replaced by a modern stone structure. Sigma Kappas are noted for their scholarship, social life, and campus leadership. Three of the sisters were given Who's Who recognition this year and five were named to the most recent Dean's List; their spring pledge class won the Pan-Hellenic trophy. The sorority is represented in campus activities such as Senate, Supreme Court, CCC, Angel Flight and Meri-N-Ettes in addition to having class officers in the house. Talent within their house helped win a second place Pan-Fra trophy last year and a first place in this year's Homecoming house dec competition. Five Sigma Kappa's were nominated for fraternity sweethearts and one of the sisters was Junior-Senior Prom Queen. It takes a lot to do a lot, and Sigma Kappa girls have proven that they have a lot.

SIGMA NU, nearing its tenth anniversary as a national at Bradley, has taken unprecedented strides forward in the past year. Boasting leadership in many areas of campus life, Sigma Nu's hold presidencies of MVSC, Kappa Tau Alpha, Sigma Delta Chi, and the freshman class. They list membership in ODK, SAM, Honor Societies Council, Who's Who, and occupy the V-P's chair of the Student Senate and IFC. During Greek Week festivities the Sigma Nu's took firsts in Pan-Fra Sing, chariot races, and the marathon. The Sigma Nu Trio has also brought recognition to the chapter with many on-and-off campus performances. A championship football trophy after an undefeated season, firsts in wrestling, golf and basketball, second in track and a third in baseball speak for the brothers athletic prowess. Sigma Nu's busy social schedule is highlighted by the White Rose and White Star formals. The raising of the colorful Serpentine Flag in October will serve not only to mark the entrance to Fredonia's Greek Row but to symbolize the growth and energetic achievement of the Men of Sigma Nu.

SIGMA SIGMA SIGMA, three years old in April, is Bradley's smallest yet most energetic sorority. In personality, the Sigma Sisters belong in a class all their own—their ever present smiles beaming forth inner charm that has made the sisters well accepted in Greek circles. Looking into the light of Sigma Sisterhood, one finds them busy in many facets of campus life: Student Board of Activities, Campus Carnival Committee, Greek Week co-chairman, stunt show, Phi Chi Theta, International Club, Chorale, AWS, and Chimes. They also boast of officers in Sigma Alpha Eta, Pi Beta Sigma, and Angel Flight, and they are proud of their queen candidates and winners at the IOC Winter Formal. Socially the sisters are busy with exchanges, house parties and plans for the annual spring formal where their Tri-Sigma Man is announced. Bradley's other Greek organizations wait anxiously for the time when the Tri Sig's will be able to take their place among the Fredonia Avenue houses.

SIGMA PHI EPSILON, symbolized by the Golden Heart, found a long-awaited place of prominence above the door of the new burnt-brick Sig Ep house this fall. Contemporary in style, featuring a "cathedral ceiling" livingroom, the new Sig Ep house is the second Greek home to be built in the 1500 block of Fredonia. Losing no time in getting settled, the Sig Eps sponsored BU's 1964 Homecoming Queen, and won third place in House Dec competition. Continuing their success in inter-fraternity sports, the brothers earned first places in baseball, volleyball and track. After winning first place in overall scholarship three years in a row, the brothers took second. In the area of campus activities, the Sig Ep membership includes the general chairmen of Campus Carnival, Homecoming, Greek Week and Special Events, plus three senators and the junior class president. Sig Eps are members of ODK, Who's Who, CCC, and Student Board of Activities. The year's social schedule was highlighted by a Sack party, the Diamond Princess pledge formal, and the traditional Queen of Hearts Ball. Versatile and always competitive, the Sig Eps maintain a solid position of leadership in Bradley Greekdom.

SIGMA CHI, a house of painters and carpenters laboring to revitalize the last of the traditionally old fraternity houses, has expressed its desire to strengthen itself among the leaders of the Greek system. Strong alumni backing, characteristic of the rock-like foundation of the national fraternity, has given the Sigs a healthy approach to Bradley life. The brothers' scholarship and social life are unified by their common purpose. Remodeling didn't hamper Sigma Chi as they picked up their paint brushes and directed their 9th annual Derby Day, a successful event where the Sigs had untiring Greek coeds chasing them around campus. In IF sports Sigma Chi continued among the top intramural athletic houses, winning a shared first in basketball and a second in volleyball. With varsity athletes getting state and national recognition and the brothers holding numerous positions on campus, the Sigs are building themselves a sturdy future.

TAU EPSILON PHI, still a young house at Bradley, has been refreshing in its fellowship and capabilities in their own right. A most successful fall rush stimulated TEP's fast growth and has been indicative of the earnest anticipation for the coming years. In addition to their new look among IFC intramural competitors, TEP has continued to develop one of the most successful social exchange programs. Converting the living room into a jungle, a hillbilly farm and a beach were part of the first semester's achievements. Other major social events included a "Put a Tiger in Her Tank" party, a hayride, a "Collegiate Mascot" party and "Ides of March" spring formal. TEPs have won the school ping-pong and bridge championships and have brothers active in varsity athletics. Strong and growing rapidly, Tau Epsilon Phi has already begun to branch out for increasing status among the Fredonia Greek organizations. Their growth may be something to watch and admire.

TAU KAPPA EPSILON, without a home but still a house, continues its active role in the Bradley Greek system. While working hard on plans for a new chapter house to be completed in August, the Teke's remained active in a wide variety of campus functions. Leaders among the brothers include membership on the Supreme Court, treasurer of the Inter-Fraternity Council, and the president of B-Club. Noted in the past for its athletic prowess, Tau Kappa Epsilon demonstrated unusual initiative this year in scholarship and received the Most-Scholastically-Improved-Chapter Award by their national. Once again the Teke booth captured first place honors at Campus Carnival, and their team won trophies in the Greek Week festivities. The Teke's devote much of their time to varsity athletics with brothers active in all the major areas of athletic competition. An expected house-warming in September is the focal point for all Teke activities now, and that date will certainly see the resurgence of an ever-strong member of the Greek system—Tau Kappa Epsilon.

PHI KAPPA TAU was founded on the Bradley University campus on March 17, 1962 in Constance Hall. Since the founding, the brothers have lived in two houses: the first on Main Street across from Baker Hall and the second, which they now use, on Barker. Through diligence, the brothers have received the national Phi Kappa Tau Domain Achievement Award. Although not yet a voting member of I.F.C., the Phi Tau's have managed to make their presence felt in Greek activities. In past semesters they have always been among the leaders in the Greek blood drive. Working hard to gain national recognition, Phi Tau's are now beginning to increase their activities on campus in such organizations as the Scout, Campus Carnival, Varsity Baseball, Phi Eta Sigma, Sigma Tau, Sigma Delta Chi, Kappa Alpha Mu, Tau Beta Pi, Eta Kappa Nu, Phi Kappa Phi, and I.E.E.E. This year, in competition with other fraternities, the brothers constructed the first place Homecoming House Decoration. In football the Phi Tau's upset many of the larger fraternities in their league and, by doing so, placed third. The brothers have social exchanges, house parties, and winter and spring formals to complete their social calendar. The brothers are looking forward to being chartered by their national during this semester.

CHI OMEGA, with the greek system moving toward the Fredonia Avenue concentration, still may boast of its success in maintaining itself as influential leaders in many aspects of campus life. Their beauties have trophies as Sweetheart of Sigma Chi, LCA Pledge Pajama Queen, Sweetheart of Tau Kappa Epsilon, ROTC Queen, Best Dressed Girl on campus and finalists in IFC court, Homecoming runnerup and princesses and Frosh-Soph Dance Queen. Chi Os also may brag about their officers in Senate, AWS, and Angel Flight and memberships in Supreme Court, Publication Board of Control and junior and senior SBA board members. Scholastically, Chi Os hold second place in pledge and active grades with two maintaining the sophomore and senior averages. They are also represented in honoraries such as Wakappa, Chimes, SAE, Delta Phi Delta, Alpha Lambda Delta and four have been elected to Who's Who. Chi Os have strived in recent semesters to improve the relations in the community and have earned recognition for their services to projects such as the Cancer Drive, Muscular Dystrophy Drive and tutoring services for under-privileged children. This year the Chi Omegas will be long remembered for their campus achievements as well as their unexpected visitors.

BURGESS-SISSION women agree that their life together this year has been an eventful, exciting, and rewarding one, not soon to be forgotten. This year the girls worked together on numerous projects, such as house dec, a Christmas party for the Friendship House, Dad and Mom's Day, and Campus Carnival. The girls entered into competition with sororities and other dorms in volleyball, basketball, and bowling. These two combined dorms, which house the majority of freshmen girls, frame the northeast corner of the quad. Burgess-Sisson displays an atmosphere of study, friendship, and home living.

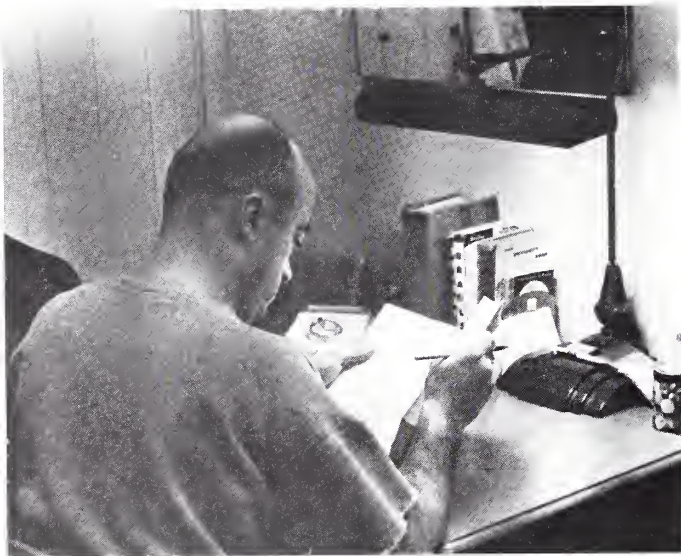

HEITZ HALL in its three years of existence has developed a reputation as a leader in both dorm and campus activities. This year the image was bolstered not only by securing first place in house dec, but also by the active participation in the Orphan's Christmas Party and Campus Carnival. Within the dorm the residents exert just as much effort supporting the activities as the ambitious dorm council does creating them. The boisterous exuberance displayed during the Valentine search and the Easter Egg hunt could only be surpassed after a candlelight. Perhaps the most important aspect of development stressed in Heitz is intelligence. The intellects who achieved a 4.5 average were honored at a scholarship banquet sponsored by the Dorm Council.

LOVELACE HALL has the unique aspect of a living combination of freshmen, transfer, and upperclass women. This has resulted in an especially outgoing atmosphere among the residents. The skit at the dorm Christmas party reflected this as did the house dec at Homecoming and the Open House on Dad's Day and Mother's Day. Lovelace participates in the dorms' Christmas Party for underprivileged children and the all-dorm picnic and Campus Carnival in the spring. Girls with high grade point averages are honored with certificates of merit from the dorm. Several girls on the Dean's List and in Alpha Lambda Delta make Lovelace their home. In intramural competition with sororities and other dorms, Lovelace had teams in volleyball, basketball, softball, bowling, and swimming.

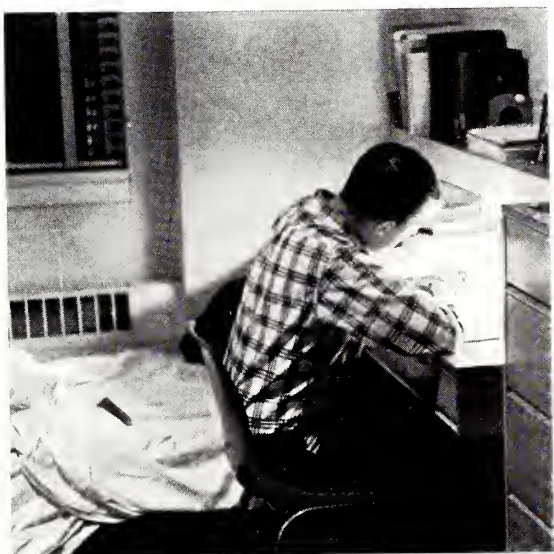

HARPER HALL, housing just seventy-five men, is one of the strongest residence halls on Bradley's campus. Its strength lies in the fact that it affords its residents a homelike atmosphere which is so necessary in competitive campus life. The men of Harper take an active part in campus athletics, dorm Christmas parties for underprivileged children, and Homecoming activities. This year Harper Hall, in collaboration with Wyckoff Hall, won second place in the Homecoming house dec contest.

WYCKOFF HALL men are involved in many activities. Included in these are the bus rides to the football games and dorm blocks at these games. Wyckoff Hall also was involved to a great extent in the annual Christmas Party for Peoria orphans. During the big Homecoming weekend Wyckoff Hall received second place for its house dec. Men who received a 5.5 grade point average or better were given a recognition dinner. First semester the Assistant Dean of the College of Liberal Arts and Sciences, Dr. Lester Brune, spoke before the group. Social exchanges with the women's dormitories and Campus Carnival are also included in the busy schedule.

UNIVERSITY HALL on the southeast corner of campus is the newest dormitory. It houses three hundred forty freshmen men. U-Hall men are well-known on campus for their success in athletic endeavors. This may be due to the fact that University is the first men's dorm to have dining facilities. The Dorm Council at U-Hall directed the Athletic Council and also coordinated the Christmas Party for children in Peoria.

INDEPENDENT ORGANIZATIONS' COUNCIL—In April of 1964, the independent student body regained consciousness after a staggering defeat at the election polls in March. Chuck Morrison and other leaders of this body began to search for a reason for their failures and apathy. After some deliberation, they concluded that a heterogeneous body cannot function at peak performance only once a year. It was decided that a body need be instituted to serve as a medium between the various independent organizations on campus. This body could function the year around and not depend on the fluctuations of campus politics. The result of these deliberations was the birth of the Independent Organizations' Council, composed of several independent organizations . . .

INDEPENDENT STUDENTS ASSOCIATION a social and political organization open to all Bradley students who are not Greek-affiliated. They are famous for their annual Monte Carlo Night, which offers the largest trophy at Bradley to the most enterprising group of gamblers. This year the I.S.A. grew to be a large social group on campus by offering a good number of social events, as well as G.D.I. sweat-shirts and pins. The faculty members at Bradley were presented with honorary membership cards and invited to all I.S.A. events.

BETA TAU EPSILON—This professional fraternity serves the students of the College of Applied Sciences. The main objective of the fraternity is to promote a better understanding among the students and the faculty of the College. Incorporated in Beta Tau Epsilon are three smaller member clubs, including the Building Construction Club, the Metals Club, and the Automotive Club. Each club holds meetings at which a speaker and industrial films are presented with the objective of giving insight into what industry will expect of them in their careers.

THE NEWMAN CLUB—In essence, the aims and objectives of the Newman Residence Club can be best summarized in this phrase: "Fellowship without Fraternization." It is the objective of the Newman Club to provide a place where students from all walks of life can live and study in an atmosphere of complete independence. The organization caters to the individual not to the conformist.

ALPHA PHI OMEGA—During 1964, Bradley's Zeta Alpha chapter of this service fraternity followed its national goal by doing many worthy service projects. These included providing transportation for tutors, conducting a canned goods drive for needy families, and holding work days at Wakonda Boy Scout Camp and Peoria State Hospital. Although the primary aim of APO is service, the social aspect of college has not been neglected. Zeta Alpha held its annual spring formal, "It Happens Every Spring," along with various other parties and exchanges.

VETERAN'S CLUB—This organization maintains a tradition of service. Their main objective is to provide college orientation for ex-service men in hope that the University will profit. The "Vets" have found that the common experience of military service is an aid to its members in making their college years profitable. "Vets" are prominent scholastically, maintaining a 5.0 average; socially, participating in all campus activities; and athletically, sponsoring bowling, basketball and softball teams to compete in campus intermural athletics. This year the club has instituted an auxillary composed of "Vets" wives.

SIGMA ALPHA IOTA—This group encompasses a three-fold purpose: to further the development of music in America; to promote a stronger bond of musical interest between America and foreign countries; to give inspiration and material aid. All women registered for two or more hours of music are eligible to become members of the organization. The yearly activities include presenting concerts for hospitals and providing many needed services to the School of Music. To the national music fraternity, for women who wear the Pipes of Pan, variety was the keynote in activities for the year.

PHI MU ALPHA—The main objectives of the men's professional music fraternity are: to advance the cause of music in America; to foster the mutual welfare and brotherhood of students of music; to develop the truest fraternal spirit among its members; and to encourage loyalty to the Alma Mater. At Bradley, Phi Mu Alpha presents recitals and concerts and invites well-known speakers to give lectures on different aspects of music. Their dance band provides the music for the Homecoming Stunt Shows.

ALPHA KAPPA PSI—A member of the Professional Interfraternity Conference, it is the oldest and largest, national business fraternity. Bradley's chapter offers its members a unique balance of social and professional events featuring prominent speakers from the Peoria area and tours of local businesses. The highlight of professional activity was the hosting of the A.K. Psi Midwest Regional Conference with delegates from three states.

Row one; John Cox, Ed Hill, Dick Curran—Pres., Mike Gregg. Row two; Steve Siegel, Bill Ferry, Bill Moran, Bill Hanen, Dave Urbanc, Jim Simon.

JOINT ENGINEERING COUNCIL

—The governing body for all engineering honorary and professional societies, claims three hundred members who participate in a spring picnic, bowling and basketball leagues and the Engineering Open House as well as the activities of the I.O.C. They also publish the "Bradley Engineer" which contains student papers and news of the professional organizations. Included in its ranks are the professional societies of the Institute of Electrical and Electronic Engineers, the American Society of Civil Engineers, the American Institute of Industrial Engineers, and the American Society of Mechanical Engineers.

ASSOCIATION OF ACCOUNTANCY—Formed in 1947, this organization promotes a better understanding of practical accounting procedures. Business meetings, followed by a guest speaker, are held monthly. This year the Association enjoyed a symposium on public accounting and an after-dinner speech on tax accounting. Its members were also conducted on a tour through the Keystone Steel and Wire Company.

Row one; Russ Snider, Casey Polchlopek, Tom Felvey—Treas., Hal Lundstrom—Pres., Joel Ruben, Dave Speck, Chuck Schlowitt. *Row two;* Linda Ewing—Sec., Linda Wilson, David Ring, Denny Robbins, Allan Redman, Joseph Gury, Larry Donaldson, Dale Ziegler, James Colitz. *Row three;* Marc Radin, Dave Bachert, Chuck Pillsbury, John Greenwalt, Bob Breuhaus, Ray Ashley, Frank Marchi, Bob Dooley, Leo Lenn. *Row four;* Fred Schlink, John Powell, Lou Frericks, Hayward Coe, Louis Beccavin, Louis Baker, Gerald Topcik, Gerry Gerber, Stephan Scalzo, Dennis DeStefano.

*IT IS NOT IN MORTALS to command success, but we

BRADLEY bombed opponents this year with a lethal aerial attack which spelled defeat to pigskin foes and gave the Braves the best season since 1961 when the team's record was also six wins and four losses. Behind the nationally ranked passing arm of Bob Caress and an outstanding team effort, seven BU records were smashed.

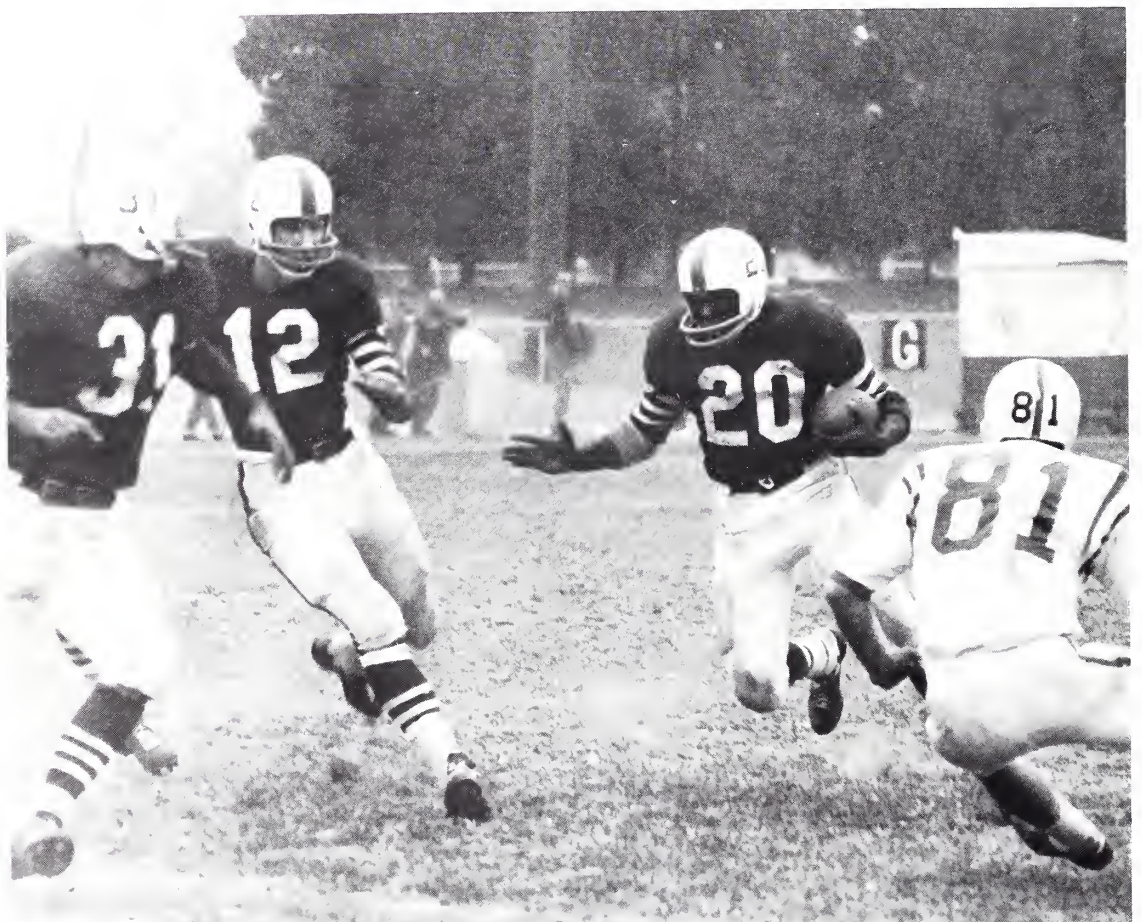

Coach Billy Stone opened his tenth season as head of the Bradley Braves football program with a 28 to 8 victory over the University of Wisconsin-Milwaukee. In the first quarter Bradley took the lead on a 24 yard pass from Caress to Bruington. Inskeep followed with another touchdown on a two yard plunge. A 26 yard pass to Marcordes further increased Bradley's lead in the third quarter. The game was iced by Mel "Beatle" Bailey's 27 yard run up the middle to assure the victory.

THE second home game against Butler witnessed Bill Marcordes, a stand-out end, recover a fumble in the Bulldogs' end zone to give the Braves the margin of victory 28 to 21. Another unusual but equally welcome happening was Mickey Lockhart's 83 yard kick-off return against Illinois State in a 25 to 24 BU victory. In the Homecoming game against Omaha, despite a 59 yard pass from Caress to Marcordes, the Braves fell short 28 to 29. Mel Bailey scored on a 64 yard run to highlight an otherwise aerial victory over Parsons 47 to 27.

After Bradley's 21 to 7 victory over Evansville, the statistics were tallied, and the 64 Bradley football season came to a close. Caress set a record of 161 pass completions, of which Marcordes caught 52, for the most receptions in any one season. Bailey set a four year rushing record of 1009 yards, and Caress added a record 1646 total passing yards in leading the Braves to a new team high of 2159 yards passing in a single season bettering the 1956 record by 195 yards. This resulted in 18 of Bradley's 30 touchdowns coming through the air. The Braves this year graduate seniors Bailey, Harris, Zgonina, Baurer (the team captain), and Marcordes who was drafted by the Philadelphia Eagles. The prospects for next season look bright with Caress returning at the helm of a more experienced team.

BRAVE harriers this year ran in seven dual meets and two major events. Starting the season off at Knox, the Braves then journeyed to Wheaton before returning home to host Eastern Illinois, St. Ambrose, Western Ill., and Illinois State and closed at Valparaiso. The season ended with the Central Collegiate Conference and the Missouri Valley Conference meets. BU finished fifth in the Missouri Valley meet at Wichita being barely edged out of fourth by North Texas State. Rod Collins and John Evans, two sophomores, led the team. Coach Schoof expects a much more experienced team in 1965 as 13 of his 20 runners were sophs this year and only three seniors will be lost through graduation.

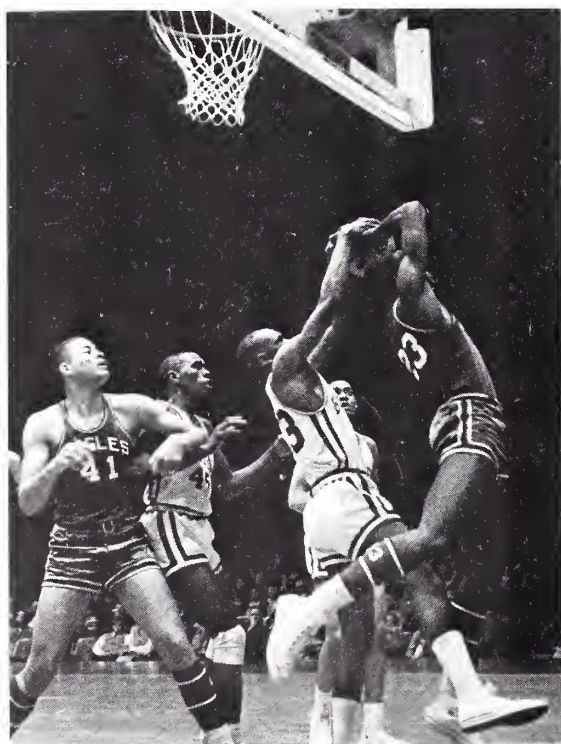

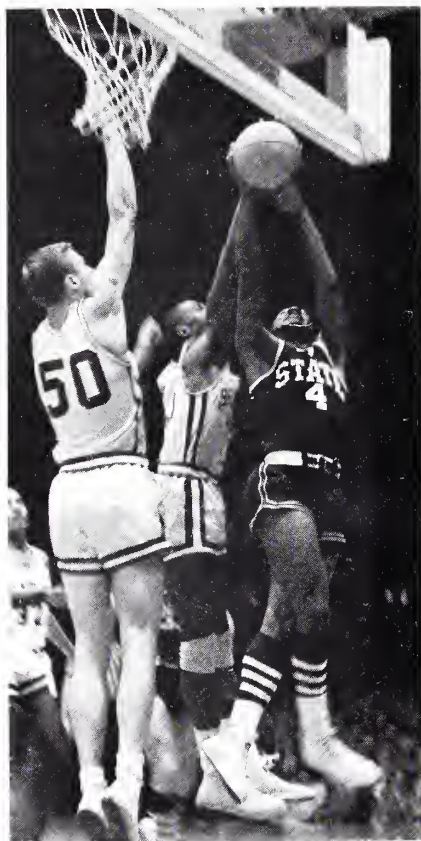

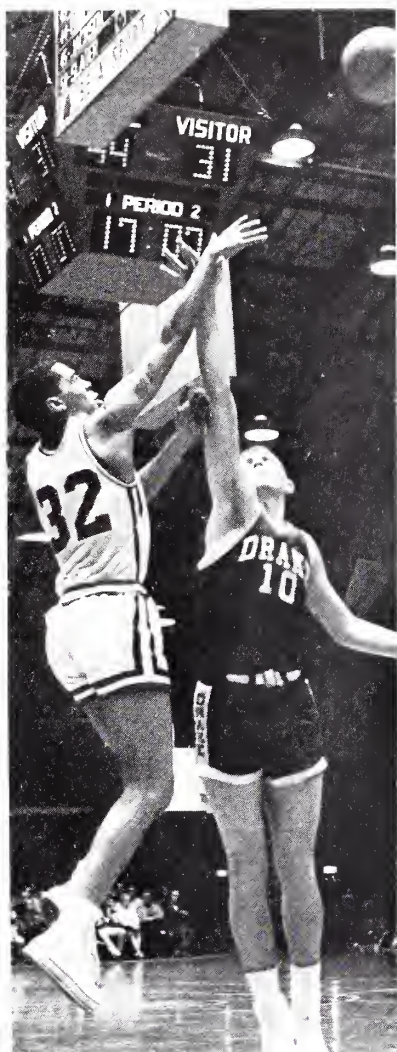

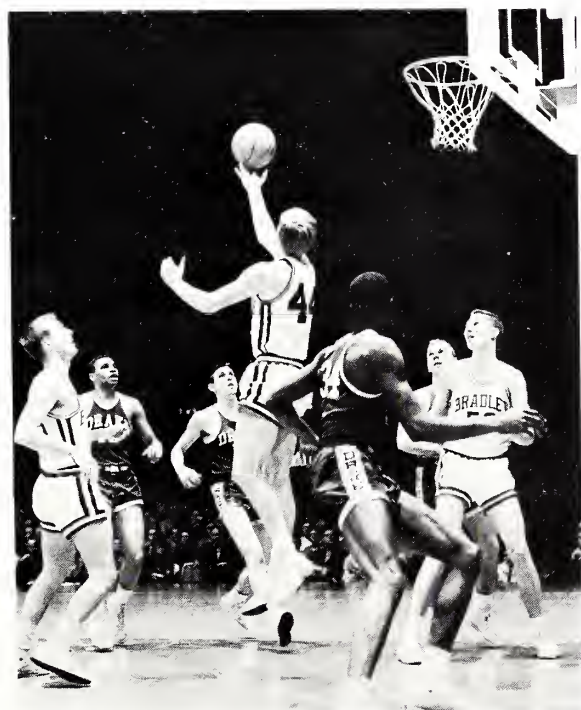

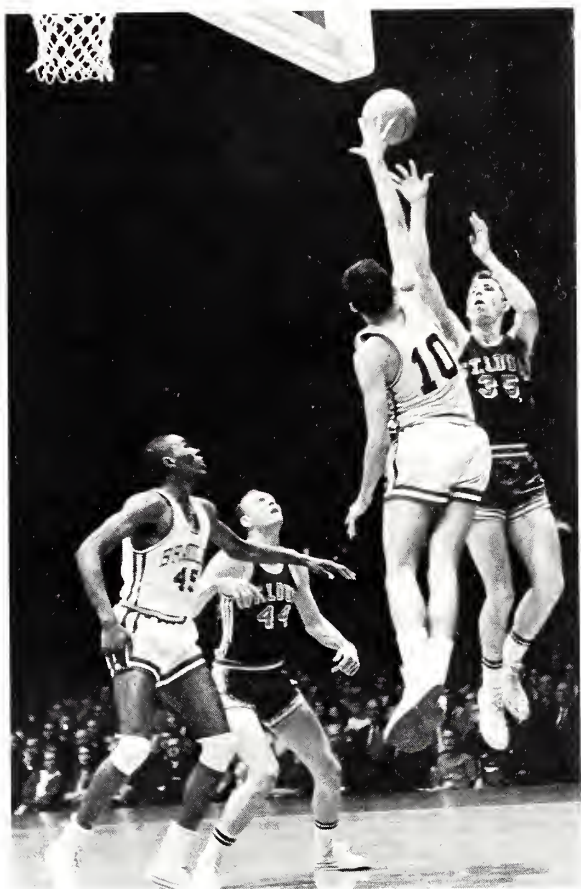

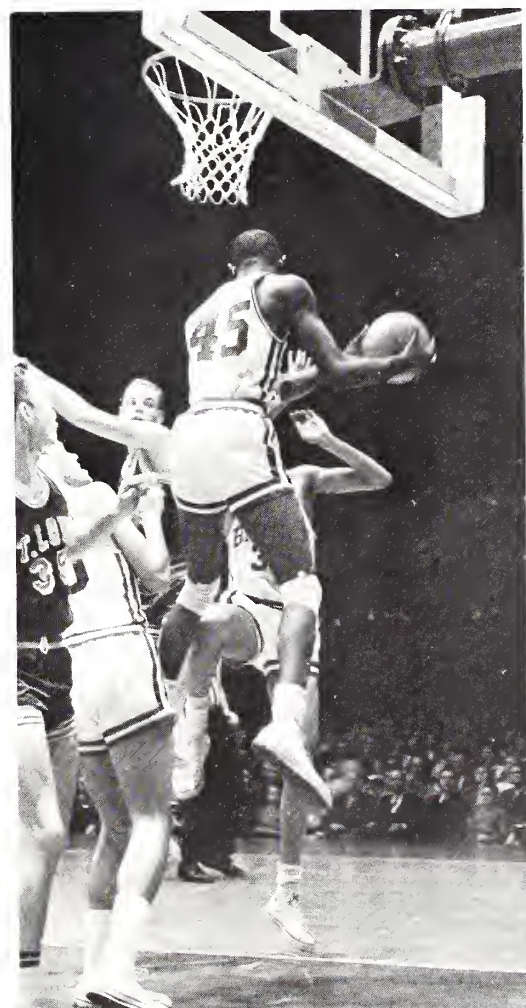

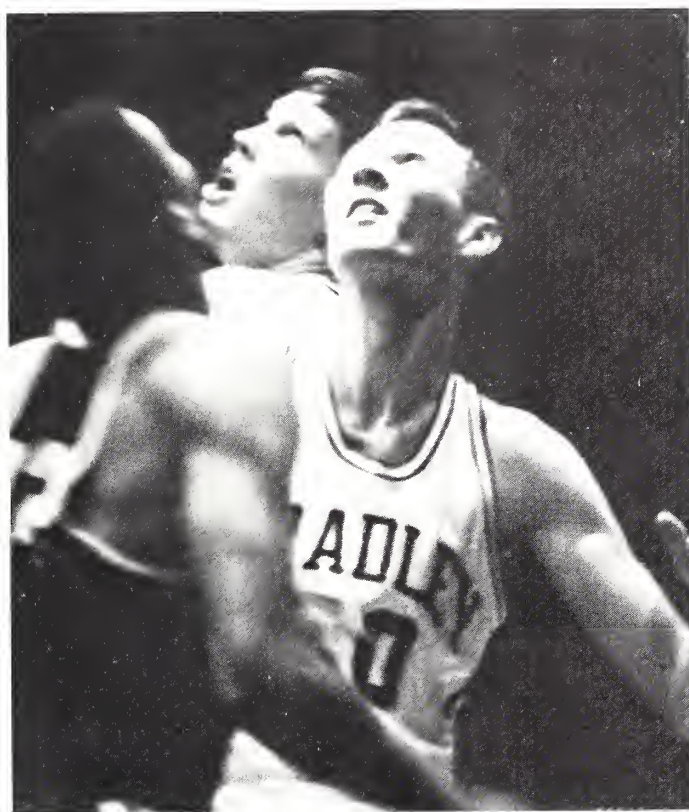

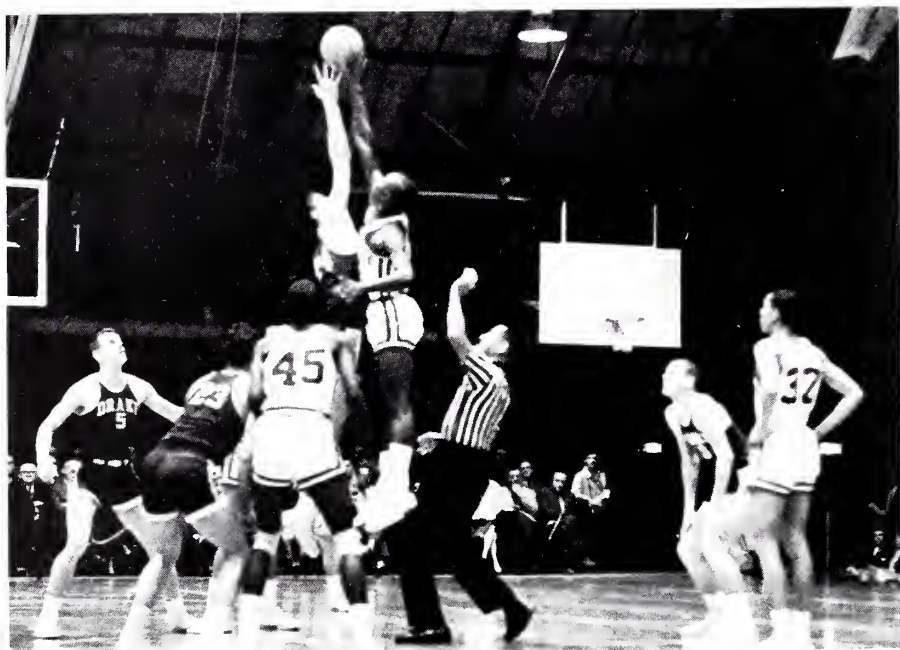

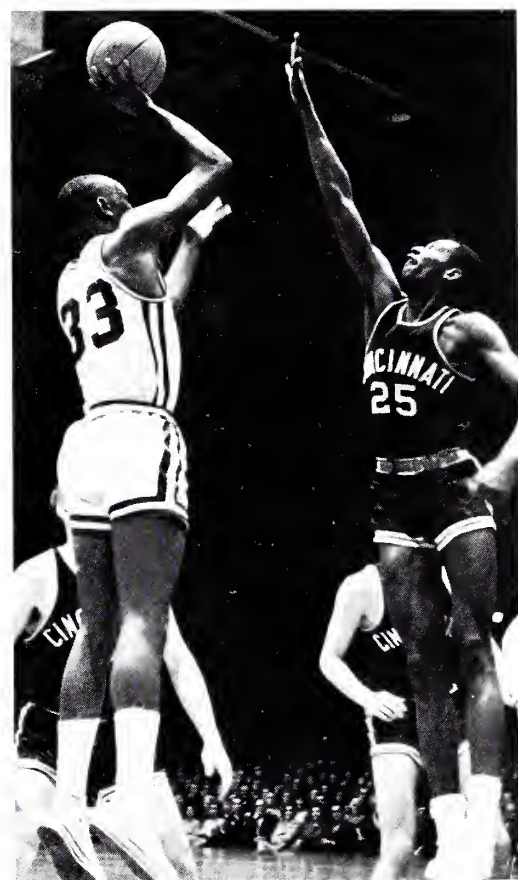

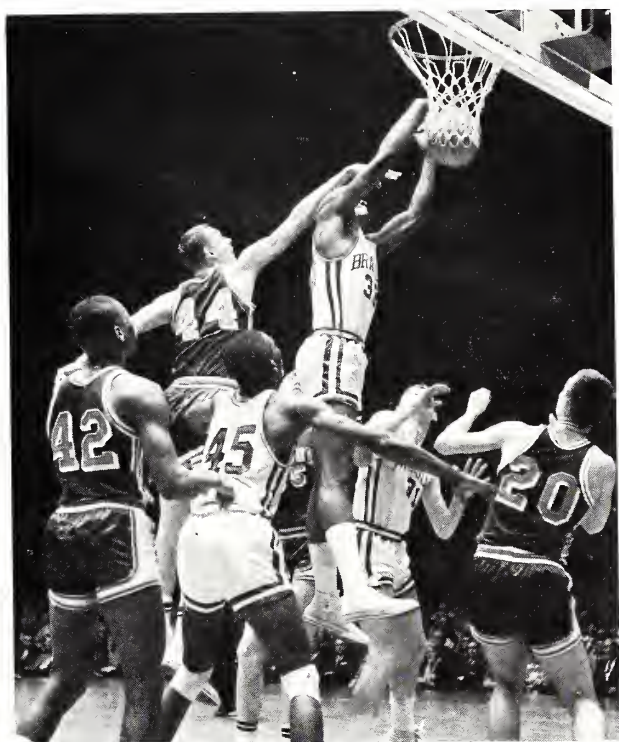

THE Braves began the 1964-65 season by defeating the Wildcats of Northern Michigan in the Fieldhouse. North Dakota next came to town, and Eddie Jackson led the Braves back from an 11 point disadvantage to an overtime victory. The third Brave foe, Murray State, came from a 15 point deficit but was held off to become the third victim in a row. South Dakota was set back 100—72. In spite of Wayne Estes' All-American performance, the nationally ranked Utah State Five were the Braves' fifth triumph. During the Christmas vacation, the Braves met the giant St. Louis team in Keil Hall and were defeated 76—73. The following victory over Oklahoma was saddened by hot-shooting Louisville who gave BU a second MVC loss. The Braves literally massacred Mass. 101—73 and then slipped past Notre Dame. All-American Stallworth wore the Braves down and took an 85—79 victory.

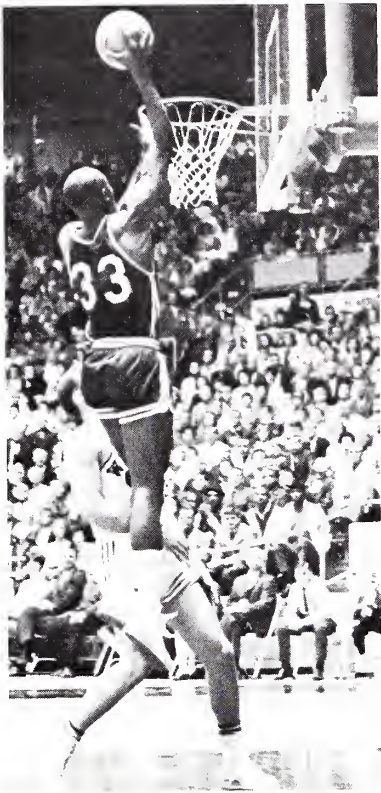

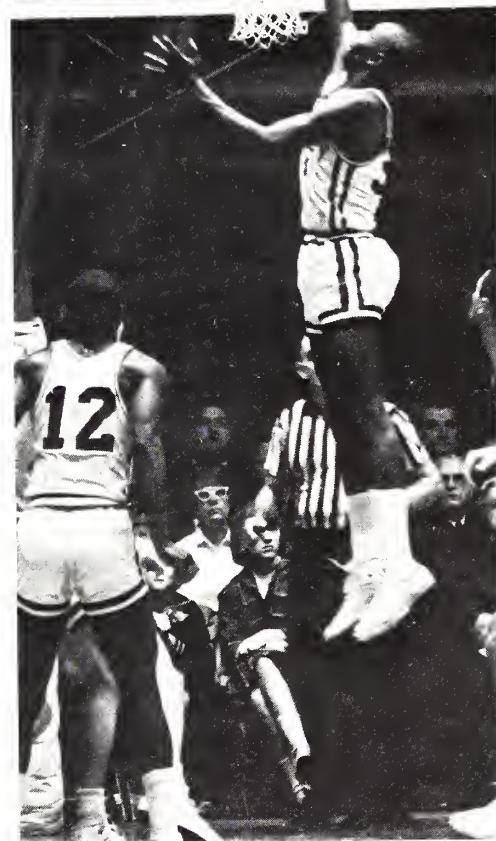

Journeying south, the Braves edged Tulsa 71—69 and North Texas 71—64. The Braves third MVC victory came in the unprecedented defeat of Cincinnati 104 to 80. A let-down resulted in an 80—74 setback at Butler, but the Braves came back to beat MVC foe Tulsa. A trip to Arizona saw BU defeated 92—81 by Arizona State and clipped 85—83 by U. of Arizona in double overtime. Back in Robertson Fieldhouse Drake and Cincinnati were soundly beaten. An unsuccessful MVC road trip saw Bradley lose to Louisville and Drake. Returning to the victory column, BU rolled over Marquette and NCAA-bound Wichita at Wichita. The NIT-bound Braves crushed North Texas 102—77 and then ended the regular season by defeating St. Louis, also NIT bound, in an overtime. Ending the season 18—8, the Braves met NYU in the first round of the NIT. The Braves roared back from 11 points behind to go ahead 68—67, but the Violets would not be denied and with a last second shot eliminated BU 71—70.

Coach Chuck Orsborn ended his ninth season and career as head basketball coach of Bradley by tying St. Louis for second place in the MVC and saw his Braves invited to the National Invitational Tournament. In nine years, Orsborn has compiled a 195 win—56 loss record. Furthermore, he has never slipped below third in the Missouri Valley Conference. His worst year at the helm of the Braves was an excellent 17—9 mark good for third in the MVC in 1962-63. In post-season tournaments, the NIT is practically synonymous with Bradley, for "Ozzie" has taken BU to Madison Square Garden seven times. Through the seven appearances, the Braves have 11 and 4 record, three titles and a second. Next year, Orsborn takes over as Athletic Director replacing "Dutch" Meinen who is retiring after 40 years on the Hilltop. Freshman coach Joe Stowell will move up to head coach.

Created in 1964 for the purpose of furthering synchronized swimming among female students, the Bradley Aquadettes are composed of 27 members this year. The girls are selected each fall by three judges who rate them on water ballet arts, rhythm, and grace. Under the supervision of faculty advisor, Mrs. Carol Winkler, the group took third place in the Annual Aqua Festival at Monticello College. Besides this, the girls presented a water show entitled "That Wonderful Year" for the BU campus.

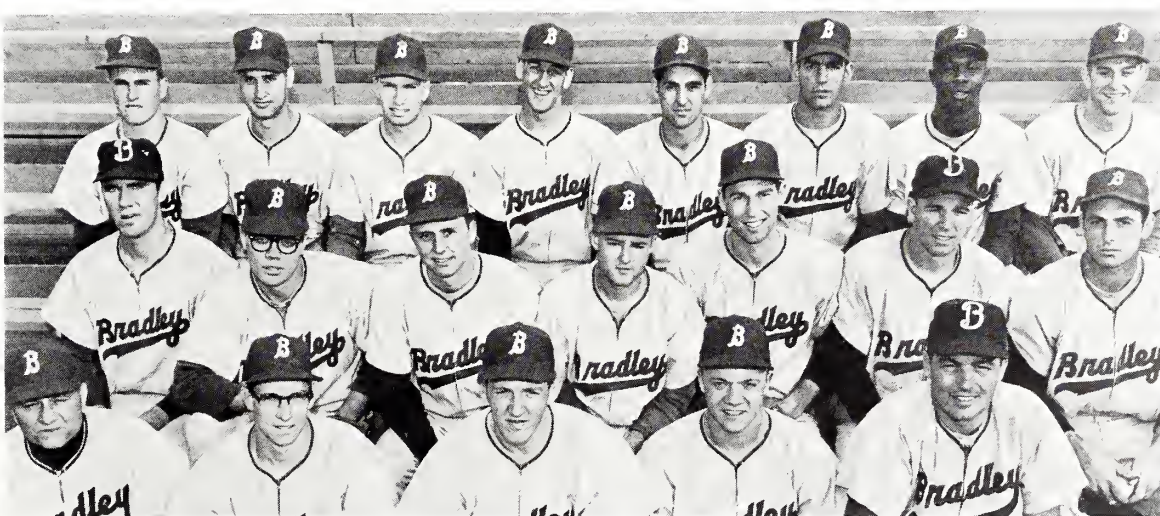

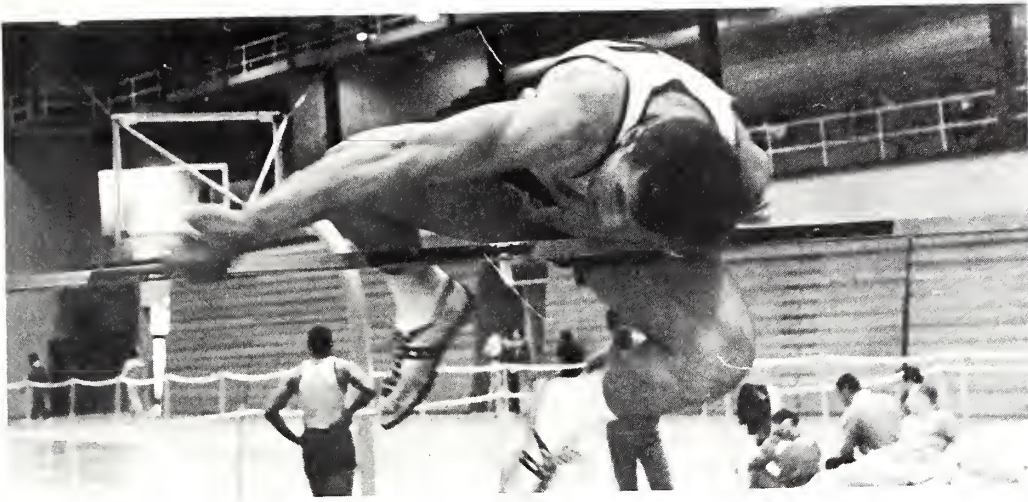

THE Bradley baseball Braves ran up a 15—6 record for their 21 encounters this season enabling Coach Leo Schrall to boast 253 wins for his career. This record compiled in 16 years surpasses the previous 244 wins of A. J. Robertson over a span of 23 years. Opening in the Valley, the Braves walloped Drake three games and then smashed Tulsa 16 to 4. Splits were recorded against Cincinnati and St. Louis with non-conference victories over Wheaton and Iowa. Pitching chores were ably handled by John Hermanck, Ron Patterson, Ernie Thompson, and Most Valuable Player Jack Dowell who starred in left field as well as on the mound. The Braves swung their bats for a .289 team average. Seven .300 hitters led the team: Barkulis .375, Patterson .323, Dwyer .315, and Ruffatto .300. Ending the season at the single elimination MVC tournament held at Louisville, the Braves defeated Tulsa. Then the team lost their bid for the championship on costly errors to St. Louis who went on to capture the title.

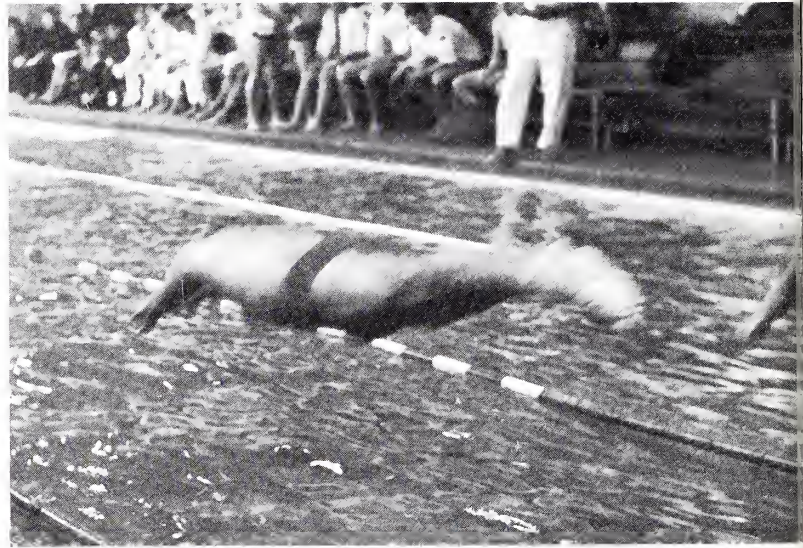

BRADLEY's track and field team under the coaching of Jake Schoof featured a much improved team due to the return of four lettermen. Returning in '65 were Mike Banks and Bryce Rexroat in the sprints, Doug Thompson, running hurdles, and Wayne Thomas handling the pole vaulting. Although improved, the Braves' team, founded upon a young base of fourteen sophomores, seven juniors, and only four seniors, experienced a full schedule listing five dual, one triangular, and five multiple meets.

Beginning with indoor competition, the cinder men journeyed to outdoor events against Western Illinois at Macomb in March and ended their season at the University of Chicago Maroon's track. Between April and the final weeks of running, the Braves sent men to the Eastern Illinois Relays, the Art Dickinson Relays, the Drake Relays, the Illinois Intercollegiate Meet in Macomb, and the Missouri Valley Conference contest in Denton. Other smaller meets included Eastern Illinois, Northern Illinois, Illinois State, and Walbash. Looking toward the 1966 season, the team anticipates the use of the new track which is to replace the past campus track removed in 1963-64 construction.

BRAVE tankers coached by James Spink set record-breaking performances this year. Paced by stand out Ed Florig, the Braves smashed many school records. Florig, MVC—100-yd. freestyle record holder, twice lowered his school record in that event; freshman Leonard Pearson rewrote the record book in the backstroke relay while Kip Sullivan recorded firsts in the 200-yd. Individual Medley. School marks fell in the 300-yd and 400-yd medley relay and the 300-yd. backstroke relay. Returning lettermen, Bruce Anglin (backstroke & freestyle), Wayne Mathison (diving), Burnham Matthews (freestyle), Rich Ponzer (freestyle), and Bob Vetzner (freestyle) gave the team fine balance which made a successful season.

Bradley's netters compiled a record of 14—6 along the way to one of their finest seasons in recent years. Led by the veteran coaching of Tom Coker and the play of Neil Kramer, Doug Ivors, Dick Wellner, Bruce Thomas, Neil Wicker, and Ken Kummer, the team improved on last season's 7—9 campaign. Ken Kummer's 14 win 5 loss match count was the best percentage for the team. In doubles, the combinations of Kramer-Kummer and Wicker-Wellner proved most effective. Off to a quick start, the Braves rolled over Chicago, Knox, St. Louis, Western Illinois, and Missouri. However, the end of the season was marred by losses to Iowa State, Eastern Illinois and a seventh place finish in the Missouri Valley Conference competition.

After being snow-bound in the Fieldhouse through March, the Bradley golfers finally were able to practice on the links for the upcoming season. Last year, the golfing Braves played twenty-four matches and three tournaments, traveling to Wichita, Houston, St. Louis, and Oklahoma as well as throughout the state of Illinois. The squad finished fourth in the Lamar Tech Tourney, eighth in the Oklahoma Intercollegiate, and seventh in the Missouri Valley Conference. Despite the loss of four seniors, the squad this year has several veterans: Gerry Armstrong, Ron and Steve Hazzard, and Tim Sweborg.

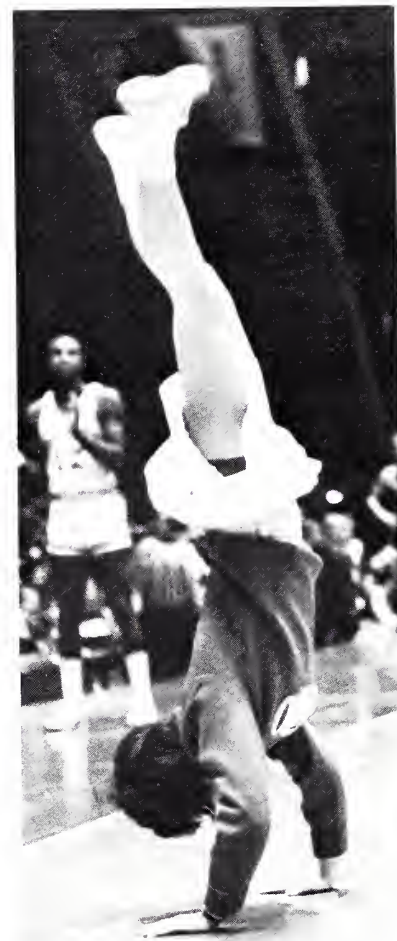

Forty-five winners of sports letters and the Bradley cheerleaders compose the "B" Club. These men, guided by president Doug Thompson, meet once a month to discuss activities sponsored by their organization. The members sell programs at all home football and basketball games and serve as ushers for the basketball games in the Robertson Fieldhouse. In cooperation with the Athletic Department, the "B" Club sponsors the All-Sports Banquet to honor athletes for their season's work. The "B" Club is ably advised by Thomas Coker, coach of the Bradley tennis team.

CHEERLEADERS are a symbol of the student support necessary for every college athletic team. Appearing at the football and basketball games, the cheerleaders are known for their acrobatic stunts. This year the group was ably led by team captain Cheri Raber. Leading school spirit throughout the year, they first appeared at the football games at Peoria Stadium and then at the basketball games in Robertson Memorial Fieldhouse.

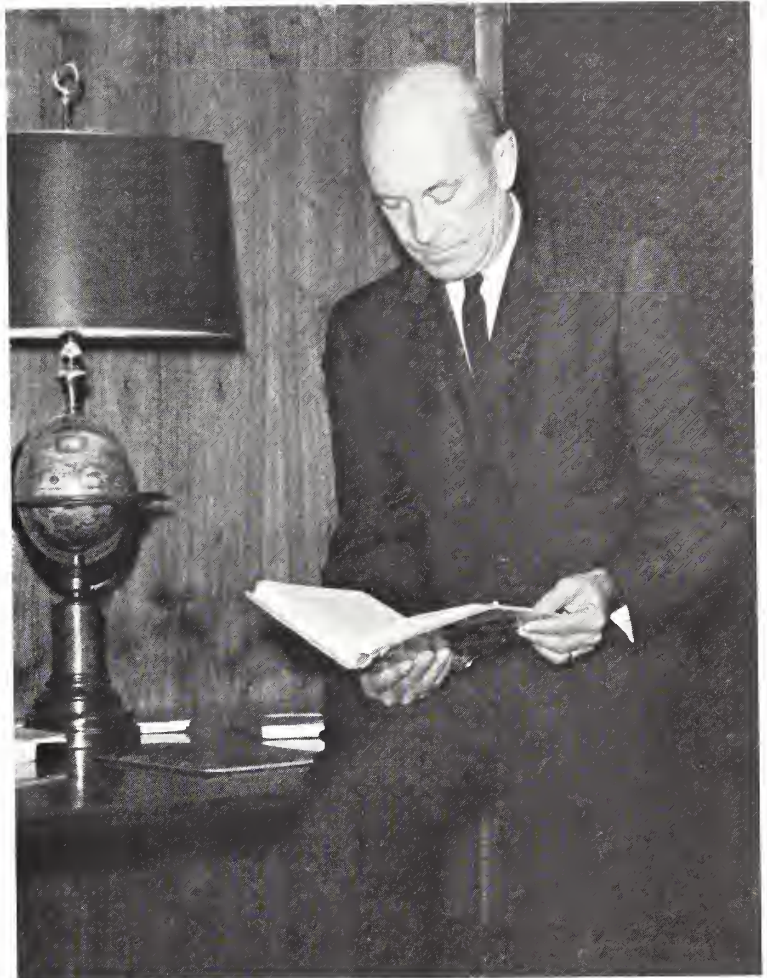

Meri-N-Ettes, the school's all girl dance-drill-ushering squad under the instruction of Al Kauffman, is in its sixth year. President of the group, senior Carol Goldman, this year notified 18 new girls of acceptance into membership. The girls ushered at home basketball games and at a Field House rally for Presidential candidate Barry Goldwater. Under the direction of dance instructor Don Ford, they danced at the opening of Homecoming stunt show. In addition to marching at the Veteran's Day Parade, the Meri-N-Ettes dance and drill performances livened the half times of the home basketball games.

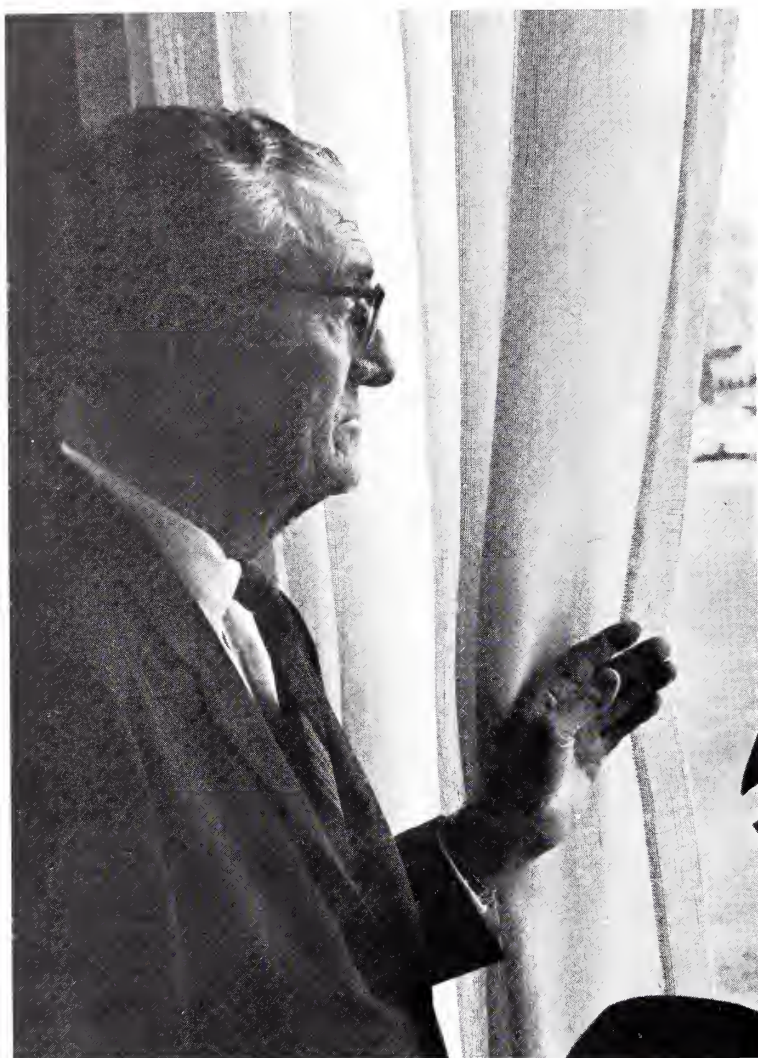

THE FOUNDATIONS OF A HIGHER EDUCATION,
effective administration—a key to a smoothly running university,
a gradually rising academic standard,
an ever increasing prestige, a friendly campus spirit.
The administrators who work in Swords Hall
strive to accomplish this end.
Reaching out to handle the multitude of duties and situations,
they co-ordinate their work with faculty and students
in guiding the University's destiny,
in accepting the responsibilities for today,
and creating the plans for tomorrow's achievements.
Combining imagination with continued learning,
they aim to meet the newer developments and higher standards.
More and more the academic aspect of the University is emphasized,
the excitement of academic growth continues.
Bradley University in its unending pursuit of increased knowledge
is ever-making its contribution to the intellectual life
of the state and the country . . .

The College of Applied Sciences teaches students the scientific principles and art of application of these principles to the technological problems of industry. Under the expert leadership of Dr. Beryl Cunningham, students learn to use the scientific method of inquiry and testing to analyze and solve technological problems. Two programs leading to the Bachelors Degree are offered in specialized areas of technological art: automation, woods, machine design, electronics and building construction. One program prepares students for various fields of industry. The second enables students to teach industrial technology in elementary and secondary schools as the integration of science and art.

The College of Business Administration, under the guidance of Dean William A. Clarey, has three extremely important functions with respect to its particular responsibilities for the transmission of knowledge, information, and ideas. It must communicate them; it must order, preserve, and record them; and it must originate them or aid in stimulating their development. Embodied in the College of Business Administration are five departments to provide a diversified program. These departments include Accounting, Business Education, Economics, General Business Administration, Marketing and Retailing. Also offered in this College is a program called Industrial Distribution which is a unique combination of Business, Liberal Arts, and Science-Engineering courses.

The College of Education gives its students professional courses in the principles underlying the teaching profession and develops in them the skills, techniques, attitudes, knowledges, and appreciations necessary to become a successful teacher. The applicants in this field of study, under the direction of Dr. Leo G. Bent, are increasing every year. At Bradley, students have an opportunity to advance as far as they wish in the field of education. A student can earn his degree in any program ranging from Elementary Education to Graduate teaching. With the knowledge that they will be molding the minds of the nation's youth of tomorrow, great satisfaction is in store for these students.

The College of Engineering, through theoretical and practical education, enables its students to transpose an idea from paper to reality. Time consuming laboratory work supplements the lectures and literature of engineering technology. Engineering students are offered a choice of civil, electrical, industrial and mechanical engineering. Dr. Martin G. Abegg, Dean of the College, supervises the thorough program of the fundamentals of engineering and professional training. These engineering students are the future creators of conveniences, from machines and motors to skyscrapers and bridges, which will make our life more comfortable.

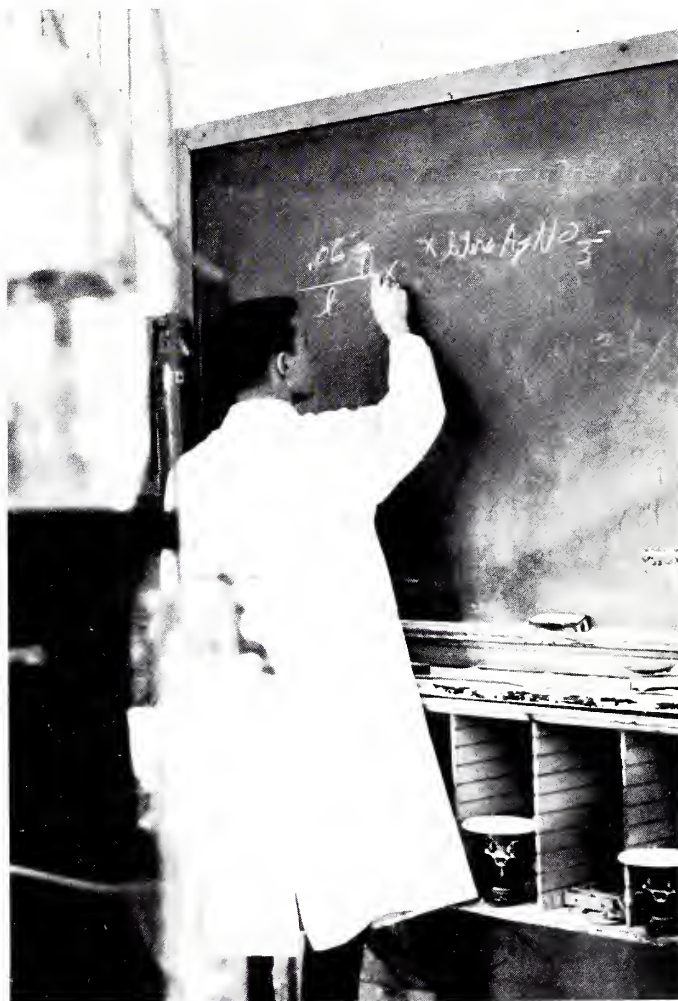

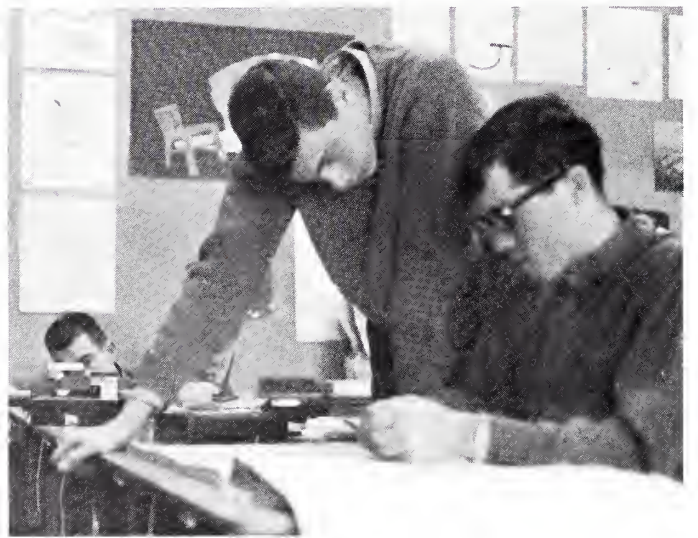

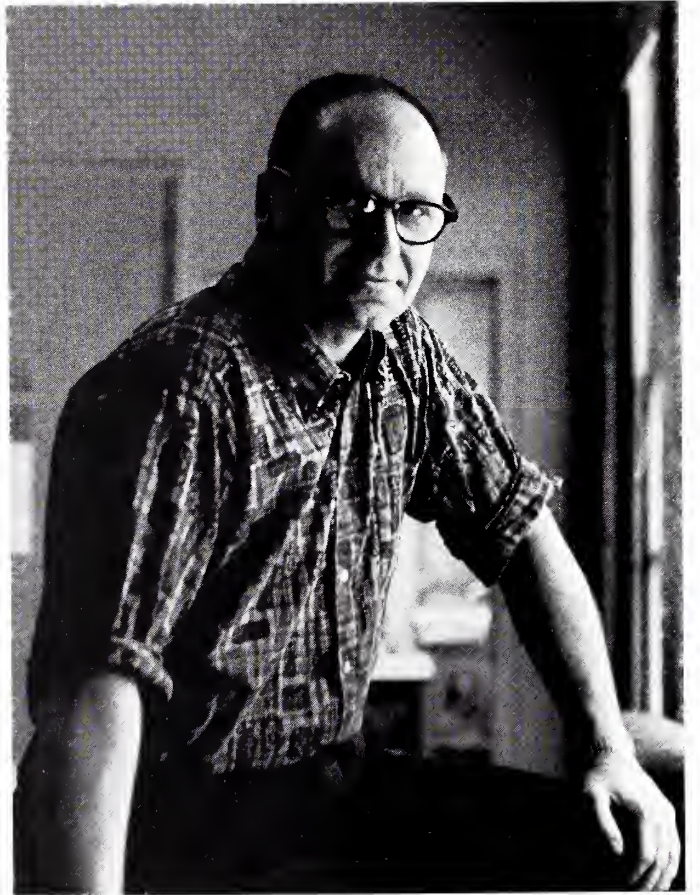

The College of Liberal Arts and Sciences, headed by Dean J. H. Shroyer, provides an atmosphere of liberalism in which the inquiring student who is interested in virtually all fields may delve. Perhaps it is here that his life's ambition will eventually be realized. The various departments from which the student may choose range from Biology and Chemistry to Philosophy and Religion. Through a combination of humanities, social sciences, and physical sciences, this College prepares students for the Bachelor of Arts or the Bachelor of Science degree.

The School of Art offers three curricula leading to degrees—the Bachelor of Fine Arts degree, the Bachelor of Science degree, the Bachelor of Arts degree and the Masters of Arts degree on the graduate level. Students whose major interest is in Art may obtain, under the guidance of Dr. Knorr, a sound undertaking and proficiency in their chosen field of study. As in any university program where the Fine Arts are offered, the School of Art recognizes the importance of developing not only a skilled craftsman, but at the same time a person with a liberal education.

The Bradley School of Music provides an escape from the physical world into the satisfaction of artistic self-expression. Led by Dr. Allen Cannon, the hands of capable students produce the universal language of music, expressing emotion and action. A member of the National Association of Schools of Music, Bradley's Music School prepares students for successful careers in music as teachers, performers, composers or executives in the music industry. It also offers professional and general students a lifelong pleasure in music.

The School of International studies is designed to educate its students in the cultures of other countries. Under the direction of Dr. Nicholas Nyaradi students are prepared for various careers in the field of international relations throughout the world. Those students who do not wish to work in this field after graduation can obtain a background for the understanding of international relations, which is a valuable concept in our contemporary world.

Peoria College—another one of the ways in which Bradley meets educational needs. Through this two year program, a student is prepared for the business world and upon completion of the course receives the Associates Degree. Under the leadership of Dr. Wilbur Grimm, students of this college may choose to go directly into the business world or continue their education in professional schools.

Evening and Summer School under Dean Otto Snarr are a supplement to Bradley's regular full time academic program. These schools, typified by luminous windows in the evening and casual clothes in the summer, provide courses for both the employed student and the Peoria resident.

Leader; Counselor;
A light . . .

She laughed, smiled, talked. She was happy in her work, gratified in her studies. Associate, student, teacher, cashier, they were her friends. A cup of coffee for a buddy, a word to a stranger now no longer a stranger, advice of a sister to a lost freshman . . .

Sharon Lee Collins

An era has ended. Dr. Carl Ellsworth Smith is gone. From his birth November 25, 1897 to his death January 26, 1964, Dr. Smith's life was an example to all. Once I asked him, "Why do you continue to struggle so mightily against ignorance, sham, myth, and superstition when each day sees a loss of ground in spite of your best efforts?" "Because," he replied, "I believe that it is part of the good life to continue to fight for what you believe is right even though you are going to lose." And so he did, until the end. A final lesson in courage to add to the other lessons he taught us all. Lessons in honesty, in charity, in kindness, in rigorous thinking, in being a man. As it is with truly great educators, his influence on the world is not through his patents and publications, but through his students. It is they who carry his message, "Stand up for what you think is right, even if you know that in the end you will lose."

—one of his students

PHI KAPPA PHI

Phi Kappa Phi, founded in 1897, is one of the top honoraries in the nation. This society differs from most honoraries in that it recognizes all fields of study. There are ninety chapters throughout the country, the Bradley chapter being established in 1962. Membership is limited to seniors with a six-point seven-five grade point average, juniors with a seven-point, and faculty members who show high character and scholastic achievement.

PHI ALPHA THETA

Phi Alpha Theta, one of the newer honoraries on Bradley's campus, is a national history society. Membership is restricted to history majors of junior or senior standing who manifest a real interest and marked ability in this field. To be elected to Phi Alpha Theta a six-point grade average is required. The purpose of the organization is to promote excellence in the study of history.

Row one: Janet Cohen, Ellen Riess, Doris Stone. *Row two:* Lester H. Brune, Randall Jacobs, Louis Yrtes, Brian R. Alms.

Row one: Nancy Kelley, Mary Lou Fetterolf, Maurine Schaut, Linda Irwin, Barb Larson, Sharon Sedgwick, Judy Robinson. Row

WAKAPA

Wakapa is the senior women's honor society. Long recognized as a very selective organization, the society bases its membership on leadership, service to the university, participation in extracurricular activities, and scholarship. The objects of the group are to promote college loyalty, maintain a high standard of scholarship, recognize and encourage leadership, and develop a finer type of college woman. These aims are fulfilled in part by co-sponsoring the ODK-Wakapa Leadership Conference, and ushering for campus events.

OMICRON DELTA KAPPA

Omicron Delta Kappa is composed of outstanding junior and senior men who have distinguished themselves in service to the university. Membership in this national men's honorary is restricted to those who have maintained a five-point overall and show strong leadership qualities. Publicly tapped for this high honor, they sponsor the ODK Leadership Conference in the fall. Omicron Delta Kappa also engages in campus and community service projects.

Dale Fredericks, Steve Schilson, Charles Schmidt, Ken Keiser, Bob Alberding, Dr. Fred Elwood, Sal Amatangelo, Martin G. Abegg, John Luhtala, Tom Kalebic, Clayton McKindra, James A. Korb.

Marian Makstell, Marcia Davis, Marilyn Voss, Linda Copelan, Barb Proctor.

ALPHA LAMBDA DELTA

Alpha Lambda Delta is a freshman honorary organization for women. To be elected to Alpha Lambda Delta, a seven-point grade average during the first semester or a seven-point overall grade point for the entire freshman year must be maintained. The purpose of the society is to promote superior scholastic attainment among freshman women.

PI TAU SIGMA

Pi Tau Sigma is a national honorary for mechanical engineering students. The Bradley chapter, Tau Omega, was installed on May 11, 1961. Active membership is limited to the upper 25% of the juniors and the upper 35% of the seniors in mechanical engineering. The object of the organization is to foster the high ideals of the engineering profession, to stimulate interest in coordinate departmental activities, to promote the mutual professional welfare of its members, and to develop the attributes necessary for effective leadership.

Row one: Carl Schultz, Richard Rodde, Jim Sturges, Bob Southon. *Row two:* Richard Latimer, Al Elliott, Mike Walden, Clayton McKindra.

Row one: Al Elliott, William Ferry, Gary Hodgdon, David Look, Dennis Massa, James Eilers, Wayne Mathison, Jeff Goebel, *Row two:* Dale Fredericks, James A. Korb, Dennis Gaushell, Pat

McElhiney, Randall Jacobs, Sal Amatangelo, John Luhtala, Stephen Arnold.

PHI ETA SIGMA

Phi Eta Sigma is an honorary for freshman men. The organization was founded to encourage and reward high scholastic attainment. Membership is extended to all men who earn a grade average of seven-point during either semester of their freshman year. Phi Eta Sigma directs all its efforts toward increasing freshman efficiency and improving first year scholarship. The Jack R. Zalhe Memorial is presented in the spring to the graduating senior with the highest overall grade.

CHIMES

Chimes is an honorary for junior women, formed to develop higher ideals of leadership, service and scholarship among college women. Its purpose is to honor those junior women who have shown loyalty to the university by giving their service and leadership to the advancement of its interests, welfare, and unity. Chimes stimulates scholarship and participation in extra-curricular activities. Requirements for membership include a five-point overall and evidence of service and leadership to the university as a whole.

Row one: Karen Miller, Susan Berent, Sharon Sedgwick, Maurine Schaut, Linda Benson. *Row two:* Linda Wilson, Mary Lou Fetterolf,

Luanna Baxter, Myrna Douglas, Paula Rrutsman, Linda Irwin.

Row one: Connie Williams, Lenora Mayer, Evelyn Grgurich, Karen Reinhold, Ann Jarvis, Carol Schoon. *Row two:* Larry Peter-

son, Pete Szydlowski, Susan Berent, Dr. Nyaradi, Mr. Howard, Betty O'Neill, Fred Doubet, Ed Stack.

MU EPSILON PI

Mu Epsilon Pi, an honorary fraternity for students in the field of International Studies, was founded at Bradley University in the fall of 1963. This organization is the only coeducational honor fraternity in this field of study. The purpose of Mu Epsilon Pi is to provide a better understanding of the problems of international relations and a recognition of outstanding International Studies students. Selection of membership is based upon high academic achievement and a dedicated interest in the field of International Studies.

ALPHA PI MU

Alpha Pi Mu, an honorary industrial engineering fraternity, was chartered on Bradley's campus in May, 1964. Only those men who are ranked in the upper one-fifth of their junior class or the upper one-third of their senior class are eligible for membership. The purpose of the society is to stimulate scholarship for engineering students, to provide a common ground for the exchange of ideas and to encourage mutual growth.

Row one: David Arehart, Ken Keiser, Tim Root. *Row two:* Jack Mathews, John Cox, Gary Seiwel.

Row one: Al Elliott, Dick Curran, Raymond Starnes, Jim Arnold, Steve Romanowski, Ron Kassing, Carl Schultz. Row two: Dave Arehart, Gary Seiwel, Clayton McKindra, William Ferry, Bruce

Weber, Jim Simon, Bill Moran, Dennis Gaushell, William Short, Larry Culberson.

TAU BETA PI

Tau Beta Pi is the largest national engineering honor society in the world. The purpose of Tau Beta Pi is to honor those engineering undergraduates of distinguished scholarship and exemplary character and alumni who have achieved prestige through their engineering endeavors. Membership is based on distinguished scholarship, integrity, interest and adaptability. Bradley's chapter, Illinois Delta, is currently in its first full year of operation. One of the important activities is the tutoring service for engineering undergradmen who desire help.

ZETA PI

Zeta Pi, the professional honorary fraternity in the College of Business Administration, was founded in 1924. Membership is restricted to juniors or seniors who have at least seventy-five hours of college credit, are majoring in business, and have at least a six-point overall. Its purpose is to further the study of business, to promote higher scholarship, to foster a high standard of business ethics and to promote the civic and commercial welfare of the community.

Linda Wilson, Marvin Spencer, Al Hagen, Joyce Gravis.

Row one: Dennis Gaushell, Edward Hill, William Ferry, Richard Curran, Gary Heller, James A. Korb. *Row two:* Arthur Kawatachi,

Terry Gibson, Joseph C. Orwat, Bill Moran, Jim Simon, Bruce Hermann, Richard L. Gonzales.

ETA KAPPA NU

The Delta Upsilon chapter of Eta Kappa Nu was established on Bradley's campus in 1962. This organization is an honor society for electrical engineering students. Eligibility for membership requires that a candidate be in the upper quarter of the junior class or the upper third of the senior class. He must also have contributed effectively to extracurricular activities, exhibit the quality of leadership, and be of exemplary character.

DELTA PHI DELTA

Delta Phi Delta is the National Art Fraternity honoring students in the Bradley School of Art. To be eligible for membership students must show superior artistic and scholastic achievement and a dedicated interest in art. The purpose of the organization is to promote and accelerate artistic endeavors and to acknowledge professional ability. Projects include making signs and posters for campus organizations and displaying one's art work.

Row one: Alvey Jones, Chris Pritz, Joan Knosp, Wayne Mathison. *Row two:* Gary Jameson, Louis Schwabacher, Robert Majeske, Stephen Frykholm.

Row one: Raymond Starnes, Jim Arnold, Clayton McKindra, Steve Romanowski, Richard Curran, Jim Sturges, Carl Schultz. *Row two:*

Dennis Gausshell, Bruce Hermann, Bill Moran, David Arehart, Jim Simon, William Ferry, Bruce Weber, William Short, Gary Seiwel.

SIGMA TAU

Sigma Tau is a national honorary fraternity which admits undergraduates from all fields of engineering. Bradley University's chapter of Sigma Tau was installed in February of 1958 as the Alpha Iota chapter. Membership in this organization is based on scholarship, sociability, and practicality. The main object of Sigma Tau is to promote superior scholarship among its members.

HONOR SOCIETIES COUNCIL

The Honor Societies Council was formed in September of 1964 to promote and perpetuate the cultural, academic, and intellectual interests of Bradley University. Its purpose is to co-ordinate the activities of all honor societies on campus and to promote a friendly spirit among them. The Council is composed of one delegate, usually the president, from each honor society on campus. It is responsible for the entire Lecture-Arts program.

Row one: Karen Miller, Gary Jameson, Al Elliott, Bruce Weber, Nancy Kelley. *Row two:* Fred Doubet, Al Hagen, Randall Jacobs, Gary Seiwel, Bill Moran, Dale Fredericks.

*SINCE THIS IS THE LAST PAGE of the book,
it is time for me to express my gratitude to
all the people who helped to make this ANAGA whatever it is.*

*We didn't always work under the best conditions
but we had great fun despite the late hours and lost weekends and
mistakes in triplicate and flunked tests.*

So, to Fred, the king of sports in his lonely corner,

Bonnie, the quiet social-ist,

Greek Judy and her sore-fingered crew,

Sue, who honored the queens and finally learned the flow,

Linda working independently in her own little room,

Mary, who will always have many friends in the dorm,

Kathy, a girl of senior quality,

Mindi (she's in the index),

Jerry and all his flashy staff,

Suzanne, and Jim, who rendered so much assistance,

a very special thanks.

It's been rewarding and worth the trouble.

We're done everybody!

It's your book.

Patty
